The Woman's Guide To Hysterectomy Expectations And Options:

The Woman's Guide to Hysterectomy Adelaide Haas, Susan L. Poretz, 1995 One in three women will have had a hysterectomy by the time they reach 65 The authors of this guide both went through the experience and were dismayed at the limited information available to them This guide is a result of their quest for information and support

Women's Sexuality Across the Life Span Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings

The Woman's Guide to Hysterectomy Adelaide Haas, Susan L. Poretz, 2013-06-26 Hysterectomy is performed more than any other surgical procedure for women with the exception of the cesarean section Authors Adelaide Haas and Susan L Poretz both professors in the field of health have experienced hysterectomy firsthand Dismayed by the limited information available to them they collaborated on this comprehensive book about a critically important subject for women THE WOMAN'S GUIDE TO HYSTERECTOMY addresses common fears expectations and questions regarding such issues as what to ask your doctor second opinions preparations for surgery sex and sexuality after surgery and life after hysterectomy Encouraging all women to become more actively involved in their own health care this book is a practical catalog of the latest medical information and provides much needed reassurance for women faced with this life altering decision Thoroughly revised to include the latest research and developments including new treatment options and alternatives to HRT hormone replacement therapy Original edition sold 10 000 copies

Sex, Lies, and the Truth about Uterine Fibroids Carla Dionne, 2001-04-23 The most authoritative book available on uterine fibroids that covers traditional surgical and alternative therapies and provides key information necessary to determine the best choices

So You're Having a Hysterectomy Togas Tulandi, Barbara Levy, 2004-02-04 so you're having a hysterectomy If you've been informed that you need a hysterectomy this book is for you Step by step test by test decision by decision you'll know what to expect and what your choices are Why are you having problems Do you really need a hysterectomy What are the alternatives Is it best to just wait and see And if you do decide to go ahead what type of hysterectomy procedure is right for you From diagnosis to recovery So You're Having a Hysterectomy is the ultimate guide for women facing this controversial surgery Balanced accurate information real life patient stories and detailed illustrations give you the inside story on each medical procedure while extensive self help sections give you the power to find your own personal road to wellness whatever you decide Been there done that does not an expert make Event

though I have had a hysterectomy and am a sex educator counselor I still learned a great deal about hysterectomy from this book Highly recommended reading Sue Hohanson RN CM sex educator counselor and host of the Sunday Night Sex Show

Midlife Mamas on the Moon Sunny Hersh, 2003 A fun inspirational guide to positive choices for women over 40 Packed with useful checklists honest personal stories and no nonsense resources this book has the latest information on health sex and hormones and shows how to transform relationships finances and careers

The Uterine Health Companion Eve Agee, 2010-02-23 The uterus is a remarkable organ it is our first home contributes to women's sexual pleasure houses some of the strongest muscles in the body and even helps prevent heart disease and high blood pressure However in the West the uterus has generally been viewed as insignificant beyond reproduction and rarely receives our attention except when it becomes problematic or when we focus on getting pregnant or giving birth Even though health promoting strategies for organs like the heart and lungs have become common knowledge preventative measures for lifelong uterine health have been largely absent from Western medical care Consequently one third of all women in the United States will have a hysterectomy the highest rate in the world In *The Uterine Health Companion* anthropologist and holistic health expert Eve Agee reveals that women in many non Western societies do not share our high rates of benign uterine problems or our negative attitudes

about the uterus Drawing on her research with women in the United States and abroad Agee shows how traditional practices from other cultures can help create lasting health so that issues such as PMS fibroids and endometriosis do not have to be our destiny as women Through poignant narratives as well as global insights the book inspires us to develop new understandings about health and healing that affirm all women The Uterine Health Companion demonstrates why the uterus matters and how we can take care of it from menarche to menopause and beyond A comprehensive holistic plan including nutrition exercise and visualization guides us to promote uterine wellness and enhance conventional medical therapies Chapters dedicated to specific uterine issues illustrate how to support our health through simple daily practices and fundamental attitude shifts in our relationship to our bodies The book also includes strategies for women who have had hysterectomies This empowering resource offers a prescriptive balanced approach to developing and maintaining optimal uterine health for every woman at any stage of life Award Winner Health Women s Health category 2011 International Book Awards
