Trench Talk Words Of The First World War:

Trench Talk Peter Doyle, Julian Walker, 2011-11-30 The First World War largely directed the course of the twentieth century Fought on three continents the war saw 14 million killed and 34 million wounded Its impact shaped the world we live in today and the language of the trenches continues to live in the modern consciousness One of the enduring myths of the First World War is that the experience of the trenches was not talked about Yet dozens of words entered or became familiar in the English language as a direct result of the soldiers experiences This book looks at how the experience of the First World War changed the English language adding words that were both in slang and standard military use and modifying the usage and connotations of existing words and phrases Illustrated with material from the authors collections and photographs of the objects of the war the book will look at how the words emerged into everyday language Languages and the First World War: Communicating in a Transnational War Julian Walker, Christophe Declercq, 2016-05-24 This book examines language change and documentation during the First World War With contributions from international academics the chapters cover all aspects of communicating in a transnational war including languages at the front interpretation translation and parallels between languages communication with the home front propaganda and language manipulation and recording language during the war This book will appeal to a wide readership including linguists and historians and is complemented by the sister volume Languages and the First World War Representation and Memory which examines issues around the representation and memory of the war such as portrayals in letters and diaries documentation of language change and the language of remembering the war **A Tommy's Life in the Trenches** Fergus Mackain, 2016-10-15 A unique visual perspective of life in the trenches on the Western Front from the forgotten soldier artist and Somme veteran Private Fergus Mackain who served in France 1916 to 1917 Army Wives Midge Gillies, 2016-11-18 Most families have an army wife somewhere in their past Over the centuries they have followed their men to the front helped them keep order in far flung parts of the empire or waited anxiously at home Army Wives uses first hand accounts letters and diaries to tell their story We meet the wives who made the arduous journey to the Crimean war and witnessed battle at close quarters We hear the story of life in the Raj and the often terrifying experiences of the women who lived through its dying days We explore the pressures of being a modern army wife whether living in barracks or trying to maintain a normal home life outside the patch In the twentieth century two world wars produced new generations of army wives who forged friendships that lasted into peacetime Army Wives reveals their experience and that of a new breed of independent women who supported their men through the Cold War to the current war on terror Midge Gillies author of acclaimed The Barbed Wire University looks at how industrial warfare means husbands can survive battle with life changing injuries that are both mental and physical and what that means for their family She describes how army wives communicate with their husbands via letters and coded messages to more immediate but less intimate texts and Skype She examines bereavement from the seances public memorials and deaths in a

foreign field of the Great War to the modern media coverage of flag draped coffins returning home by military plane Above all *Army Wives* examines what it really means to be part of the army family *Humor, Entertainment, and Popular Culture during World War I* Clémentine Tholas-Disset,Karen A. Ritzenhoff,2015-05-06 Humor and entertainment were vital to the war effort during World War I While entertainment provided relief to soldiers in the trenches it also built up support for the war effort on the home front This book looks at transnational war culture by examining seemingly light hearted discourses on the Great War *Life-writing in the History of Archaeology* Gabriel Moshenska,Clare Lewis,2023-07-10 Life writing is a vital part of the history of archaeology and a growing field of scholarship within the discipline The lives of archaeologists are entangled with histories of museums and collections developments in science and scholarship and narratives of nationalism and colonialism into the present In recent years life writing has played an important role in the surge of new research in the history of archaeology including ground breaking studies of discipline formation institutionalisation and social and intellectual networks Sources such as diaries wills film and the growing body of digital records are powerful tools for highlighting the contributions of hitherto marginalised archaeological lives including many pioneering women hired labourers and other hidden hands This book brings together critical perspectives on life writing in the history of archaeology from leading figures in the field These include studies of archive formation and use the concept of dig writing as a distinctive genre of archaeological creativity and reviews of new sources for already well known lives Several chapters reflect on the experience of life writing review the historiography of the field and assess the intellectual value and significance of life writing as a genre Together they work to problematise underlying assumptions about this genre foregrounding methodology social theory ethics and other practice focused frameworks in conscious tension with previous practices **Papers of the Michigan Academy of Science, Arts, and Letters** Michigan Academy of Science, Arts, and Letters,1924 Vols 1 53 contain papers submitted at the annual meetings in 1921 1967 *The United Mine Workers Journal* ,1917 **United Mine Workers Journal** United Mine Workers of America,1917 **Bulletin of the New York Public Library, Astor, Lenox and Tilden Foundations** New York Public Library,1938 *The Mennonite* ,1925 *Harper's Pictorial Library of the World War* Albert Bushnell Hart,1920 *I Hear America Talking* Stuart Berg Flexner,1979 *The Great World War, 1914-45: Lightning strikes twice* Peter Liddle,J.
