The World Of The Roman Emperor:

The World of the Roman Emperor Peter Chrisp, 1999 Describes life in ancient Rome and the succession of emperors from Pompey to Justinian who ruled this empire *Emperor in the Roman World* Fergus Millar, 1992-08-20 This book offers a large scale reassessment of the function of Roman emperor over three centuries from Augustus to Constantine and of the social realities of this exercise of power Concentrating on the patterns of communication between the emperor and his subjects the author shows that such communications were normally initiated by the subjects whether grouped in cities or other associations or individually and that the emperor fulfilled his role primarily by making responses to them or giving decisions or verdicts between them The book casts new light on a number of detailed historical questions such as the sources of the emperor's wealth and the ways he spent it the imperial residences and the mobility of the court and the relatively small and simple entourage that the emperor needed to perform his functions But above all it emphasizes two major historical themes the steady detachment of the emperor from the republican institutions of the city of Rome and the way in which relations between Emperor and Church were shaped by the emperor's long standing relations with cities temples and associations in the pagan world Drawing on a wide range of evidence from literature and legal writings to inscriptions and papyri the main text can be read without any knowledge of Latin or Greek **Restorer of the World** John F. White, 2005 The ancient Sibylline Books had predicted that Rome would last one thousand years The millennial celebrations had already been held AD 248 and the anxious population of the empire shaken by civil wars and battered by the Gothic incursions fearfully awaited the worst Then the barbarians poured across the frontiers **The Roman Emperor Aurelian** John F. White, 2015-11-30 The leader who helped keep the Dark Ages at bay An excellent picture of the Crisis of the Third Century and the life and work of Aurelian StrategyPage The ancient Sibylline prophecies had foretold that the Roman Empire would last for one thousand years As the time for the expected dissolution approached in the middle of the third century AD the empire was lapsing into chaos with seemingly interminable civil wars over the imperial succession The western empire had seceded under a rebel emperor and the eastern empire was controlled by another usurper Barbarians took advantage of the anarchy to kill and plunder all over the provinces Yet within the space of just five years the general and later emperor Aurelian had expelled all the barbarians from within the Roman frontiers reunited the entire empire and inaugurated major reforms of the currency pagan religion and civil administration His accomplishments have been hailed by classical scholars as those of a superman yet Aurelian himself remains little known to a wider audience His achievements enabled the Roman Empire to survive for another two centuries ensuring a lasting legacy of Roman civilization for the successor European states Without Aurelian the Dark Ages would probably have lasted centuries longer *A Dictionary of the Roman Empire* Matthew Bunson, 1995 The extraordinarily rich cultural legacy of the Roman world has had a profound affect world civilization Roman achievements in architecture law politics literature war and philosophy serve as the foundation of modern Western society

Now for the first time in an A Z format A Dictionary of the Roman Empire assembles the people places events and ideas of this remarkable period in one easy to use source With over 1 900 entries covering more than five hundred years of Roman history from Julius Caesar and the Gallic Wars 59 51 B C to the fall of Romulus Augustus the last Roman emperor 476 A D this accessible guide provides quick reference to one of the most studied periods of all antiquity Every aspect of Roman life is included Here are profiles of the great emperors such as Marcus Aurelius one of the most profoundly intellectual monarchs in western civilization and the aberrant Gaius Caligula who after draining the Roman treasury with his eccentric behavior made it a capital crime for citizens not to bequeath him their estates Informative entries describe the complex workings of Roman government such as census taking the creation of civil service coinage and the venerable institution of the Senate and offer insight into the various trends and cultural tastes that developed throughout Roman history For example a discussion on baths the most common type of building in the Roman Empire demonstrates the unique intermingling of luxury community recreation and in the provinces an association with Rome that served as the focus of any city aspiring to greatness Other entries describe the practice of paganism marriage and divorce ludi public games held to entertain the Roman populace festivals of the Roman year and gluttony epitomized by famous gourmands such as the emperor Vitellius who according to the historian Suetonius lived for food banqueting three or four times a day routinely vomiting up his meal and starting over Also featured are longer essays on such topics as art and architecture gods and goddesses and the military as well as a chronology a short glossary of Roman terms and appendices listing the emperors of the Empire and diagram the often intertwined family trees of ruling dynasties Comprehensive authoritative and illustrated with over sixty illustrations and maps A Dictionary of the Roman Empire provides easy access to the remarkable civilization upon which Western society was built

A Brief History of the Private Lives of the Roman Emperors Anthony Blond,2012-10-25 With the recent success of Rome on BBC2 no one will look at the private lives of the Roman Emperors again in the same light Anthony Blond s scandalous expose of the life of the Caesars is a must read for all interested in what really went on in ancient Rome Julius Caesar is usually presented as a glorious general when in fact he was an arrogant charmer and a swank Augustus was so conscious of his height that he put lifts in his sandals But they were nothing compared to Caligula Claudius and Nero This book is fascinating reading eye opening in its revelations and effortlessly entertaining

Imagining the Roman Emperor Panayiotis Christoforou,2023-08-10 Explores how Roman emperors were perceived by their subjects in the first two centuries after Augustus

Emperor of the World Anne A. Latowsky,2013-02-15 Emperor of the World traces the curious history of the story of the alliances forged by Charlemagne while visiting Jerusalem and Constantinople revealing how the memory of the Frankish Emperor was manipulated to shape the institutions of kingship and empire in the High Middle Ages The legend incorporates apocalyptic themes such as the succession of world monarchies at the End of Days and the prophecy of the Last Roman Emperor Charlemagne s apocryphal journey to the East increasingly resembled the eschatological final journey of the

Last Emperor who was expected to end his reign in Jerusalem after reuniting the Roman Empire prior to the Last Judgment Latowsky finds that the writers who incorporated this legend did so to support or in certain cases to criticize the imperial pretensions of the regimes under which they wrote Latowsky removes Charlemagne's encounters with the East from their long presumed Crusading context and shows how a story that began as a rhetorical commonplace of imperial praise evolved over the centuries as an expression of Christian Roman universalism Emperor in the Roman World Fergus Millar, 1984

The Romans and Their World Brian Campbell, 2020-10-07 A concise and accessible account of one of the largest longest lasting and most influential empires in world history ancient Rome This one volume history of the Roman world begins with the early years of the republic and carries the story nearly a thousand years forward to 476 when Romulus Augustus the last Western Roman emperor was deposed Brian Campbell respected scholar and teacher presents a fascinating and wide ranging introduction to Rome drawing on an array of ancient sources and covering topics of interest to readers with little prior background in Roman history as well as those already familiar with the great civilization Campbell explores several themes including the fall of the republic the impact of colorful and diverse emperors on imperial politics the administrative structure of empire and the Roman army and how warfare affected the Roman world He also surveys cultural and social life including religion and the rise of Christianity Generously enhanced with maps and illustrations this book is a rich and inspiring account of a mighty civilization and the citizens who made it so A lucid survey of Roman history Adam Kirsch New Yorker One of the great joys of Campbell's unfailingly readable account is the readiness with which it returns to the Roman record drawing on ancient sources to give a lively and immediate feel for Roman life and culture Michael Kerrigan Scotsman Campbell masterfully discusses military affairs as expected from this scholar Excellent translations of ancient sources enliven the text Rare will be the scholar who also does not learn from Campbell P B Harvey Jr Choice The Roman Emperor and his Court c. 30 BC-c. AD 300: Volume 2, A Sourcebook Benjamin Kelly, Angela Hug, 2022-10-20 At the centre of the Roman empire stood the emperor and the court surrounding him The systematic investigation of this court in its own right however has been a relatively late development in the field of Roman history and previous studies have focused on narrowly defined aspects or on particular periods of Roman history This book makes a major contribution to understanding the history of the Roman imperial court The first volume presents nineteen original essays covering all the major dimensions of the court from the age of Augustus to the threshold of Late Antiquity The second volume is a collection of the ancient sources that are central to studying that court The collection includes translations of literary sources inscriptions and papyri plans and computer visualizations of archaeological remains and photographs of archaeological sites and artworks depicting the emperor and his court **The Lives of the Roman Emperors and Their Associates from Julius Caesar (B. C. 100) to**

Agustulus (A. D. 476) J. Eugene Reed,1883 **The Roman Emperor Aurelian: Restorer of the World - New Revised Edition** John F. White,2020-09-19 The ancient Sibylline prophecies had foretold that the Roman Empire would last for 1000 years As the time for the expected dissolution approached in the middle of the third century AD the empire was lapsing into chaos with seemingly interminable civil wars over the imperial succession The western empire had seceded under a rebel emperor and the eastern empire was controlled by another usurper Barbarians took advantage of the anarchy to kill and plunder all over the provinces Yet within the space of just five years the general later emperor Aurelian had expelled all the barbarians from with the Roman frontiers re united the entire empire and inaugurated major reforms of the currency pagan religion and civil administration His accomplishments have been hailed by classical scholars as those of a superman yet Aurelian himself remains little known to a wider audience His achievements enabled the Roman Empire to survive for another two centuries ensuring a lasting legacy of Roman civilization for the successor European states Without Aurelian the Dark Ages would probably have lasted centuries longer This is a new revised edition **The Emperor and the Army in the Later Roman Empire, AD 235-395** Mark Hebblewhite,2016-12-19 With The Emperor and the Army in the Later Roman Empire AD 235 395 Mark Hebblewhite offers the first study solely dedicated to examining the nature of the relationship between the emperor and his army in the politically and militarily volatile later Roman Empire Bringing together a wide range of available literary epigraphic and numismatic evidence he demonstrates that emperors of the period considered the army to be the key institution they had to mollify in order to retain power and consequently employed a range of strategies to keep the troops loyal to their cause Key to these efforts were imperial attempts to project the emperor as a worthy general imperator and a generous provider of military pay and benefits Also important were the honorific and symbolic gestures each emperor made to the army in order to convince them that they and the empire could only prosper under his rule **World's Cyclopedia of History** ,1883 **The World's History: The Mediterranean nations** Hans Ferdinand Helmolt,1902

Augustus Anthony Everitt,2006-10-17 He found Rome made of clay and left it made of marble As Rome s first emperor Augustus transformed the unruly Republic into the greatest empire the world had ever seen His consolidation and expansion of Roman power two thousand years ago laid the foundations for all of Western history to follow Yet despite Augustus s accomplishments very few biographers have concentrated on the man himself instead choosing to chronicle the age in which he lived Here Anthony Everitt the bestselling author of Cicero gives a spellbinding and intimate account of his illustrious subject Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics assisted by two school friends Agrippa and Maecenas Augustus s rise to power began with the assassination of his great uncle and adoptive father Julius Caesar and culminated in the titanic duel with Mark Antony and Cleopatra The world that made Augustus and that he himself later remade was driven by intrigue sex ceremony violence scandal and naked ambition Everitt has taken some of the household names of history Caesar Brutus Cassius Antony

Cleopatra whom few know the full truth about and turned them into flesh and blood human beings At a time when many consider America an empire this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading Everitt brings to life the world of a giant rendered faithfully and sympathetically in human scale A study of power and political genius Augustus is a vivid compelling biography of one of the most important rulers in history The New Standard History of the World L. The World Of The Roman Emperor Introduction

In today's digital age, the availability of The World Of The Roman Emperor books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The World Of The Roman Emperor books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The World Of The Roman Emperor books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The World Of The Roman Emperor versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The World Of The Roman Emperor books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The World Of The Roman Emperor books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The World Of The Roman Emperor books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The World Of The Roman Emperor books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The World Of The Roman Emperor books and manuals for download and embark on your journey of knowledge?
