The Worlds Longest Crossword Puzzle:

The World's Longest Crossword Puzzles Frank Longo, 2015-08-04 The two longest crosswords ever created now together for the first time Amazingly in spite of their massive size these puzzles follow the rules of standard American crosswords full interlock no repeated answers symmetrical patterns of black squares and no one or two letter words Running through one of the puzzles is Hamlet's famous To be or not to be speech while the other features an excerpt from JFK's inaugural address With more than 46 feet of puzzle to work on these will keep solvers busy for weeks months and even years The World's Longest Crossword Puzzle Frank Longo, 2005-10 It's nine squares high 966 squares long and with a colossal 2 439 answers to figure out this is truly a record breaking brain busting crossword puzzle Crossword mavens can make a choice they can either start a marathon solving session or come back to it time and time again doing a little more and stretching out the pleasure It starts simply with easy first solutions But as you get deeper into the puzzle the clues get harder Plus as a fun extra an excerpt from John F Kennedy's 1961 inaugural address is woven throughout the puzzles providing a running theme

Campbell, 2013-05-01 On Crosswords covers three major interrelated topics

crossword history kinds of crosswords and how crosswords relate to everything else Everything else includes a breathtaking range of topics marriage proposals national politics software development counterespionage typography and racism are just some of the high points Readers will meet the personalities who have made the art form what it is today and discover the many subspecies of crossword each with its own personality And they will walk away with the most complete understanding of the form that any single book can give *Vowelless Crosswords* Frank Longo, 2009-06 What's better than crosswords? That's right crosswords with no vowels At first these challenging but fiendishly fun puzzles look like the usual crossword But there's a devilish twist you write only the consonants in the boxes not the vowels So when you look at the grid there's no quick way to know exactly how many letters make up the right solution Plus because you don't need as many spaces for each word the phrases can be longer than usual and that makes the grids wide open and ratchets up the difficulty level For those who need a little extra help there's a hints section to tear out and refer to when needed as well as grids with wordlists explaining with vowels what the answers are
