Theatre For Conflict Resolution In The Classroom And Beyond:

Theatre for Conflict Resolution Patricia Sternberg, 1998 Too often in our classrooms students believe that confrontation is the only solution to conflict Patricia Sternberg offers a promising alternative In Theatre for Conflict Resolution she outlines a variety of playmaking activities and theatre games designed to teach students that communication is the key The Drama Classroom Philip Taylor, 2004-01-14 How can teachers incorporate drama into the curriculum What drama activities are especially successful How do teachers know when students are learning in through and about drama Teachers who are new to drama or those wishing to refresh their knowledge and ideas should find practical answers and guidance in this text The book introduces the work of Cecily O'Neill to demonstrate the entry points to drama lessons the pre texts and how educators need to introduce lessons with challenging material He then uses the work of David Booth to highlight one aspect of drama storydrama and how it can be used as an effective learning medium across the curriculum *Theatre for Change* Robert Landy, David T. Montgomery, 2012-04-03 Building on Robert J Landy's seminal text Handbook of Educational Drama and Theatre Landy and Montgomery revisit this richly diverse and ever changing field identifying some of the best international practices in Applied Drama and Theatre Through interviews with leading practitioners and educators such as Dorothy Heathcote Jan Cohen Cruz James Thompson and Johnny Salda the authors lucidly present the key concepts theories and reflective praxis of Applied Drama and Theatre As they discuss the changes brought about by practitioners in venues such as schools community centres village squares and prisons Landy and Montgomery explore the field's ability to make meaning of a vast range of personal and social issues through the application of drama and theatre **Drama and Education** Manon van de Water, Mary McAvoy, Kristin Hunt, 2015-02-20 Drama and Education provides a practical comprehensive guide to drama as a tool for teaching and learning It is among the first practical drama and performance textbooks that address brain based neuroscientific research making the argument that creativity is necessary in our lives that embodied learning is natural and essential and that contextual learning helps us find our place in society in relationship to other peoples and cultures As well as a historical and theoretical overview of the field it provides rationale and techniques for several specific methodologies linear drama process oriented drama drama for social justice and performance art Each approach is supplemented with sample lesson plans activities ideas for differentiation and extensive bibliographies The topics are discussed from five key angles Historical and theoretical foundations Curricular applications Practical toolkits for a range of classrooms and learning environments Different strategies for lesson plans Extension options for longer workshops Alongside these core methods the integration of other innovative forms from performance art to Theatre of the Oppressed into drama based learning is explored as well as the pragmatic concerns such as assessment planning and advocacy for arts learning and arts education partnerships Drama and Education is the comprehensive textbook for teachers and students on Applied Theatre and Theatre and Education courses **After-School Theatre Programs for At-Risk Teenagers** Philip

Zwerling,2024-10-15 Where intervention programs such as D A R E and Scared Straight have failed to adequately address the problems of at risk teenagers inexpensive and easily implemented after school theatre programs may offer promising new possibilities This book suggests that low cost non coercive theatre programs can demonstrably lower the incidence of youth violence drug use teen pregnancy truancy and gang membership The author considers the problems facing today s teenagers discusses the history of using theatre for social change in the United States and Britain and takes an in depth look at three U S theatre programs An appendix provides an alphabetical directory of 106 after school theatre programs in the U S including contact information and a brief description of each program *Interactive and Improvisational Drama* Adam Blatner,2007

Are you a drama student looking for other ways to practice in your field Perhaps you teach drama students or as a teacher want to enliven your lessons Are you an actor who wants to diversify your role repertoire Are you a therapist who uses active approaches to promote your clients creative potentials Maybe you want to be involved in a meaningful form of social action This is the book for you Thirty two innovators share their approaches to interactive and improvisational drama applied theatre and performance for education therapy recreation community building and personal empowerment You are holding the only book that covers the full range of dynamic methods that expand the theatre arts into new settings There are approaches that don t require memorizing scripts or mounting expensive productions Dramatic engagement should be recognized as addressing a far broader purpose There are ways that are playful and types of non scripted drama in which the audience become co actors This present book is unique in offering ways for participants to become more spontaneous and involved **Sociodrama** Antonina Garcia,Patricia Sternberg,2000-03-30

In its fully revised second edition this book is devoted solely to the study of sociodrama a group learning process that provides practice in solving problems of human relations through action while uncovering the commonalities among people allowing the thoughts feelings and hopes of all who participate to rise to the surface This insightful guide helps participants in group work to come to a new understanding about themselves each other and the world at large by providing a living laboratory for practicing new and more satisfying ways to approach problems clarify values express feelings and practice new behaviors The theoretical and practical guidance offered in this book will help management and staff trainers educators psychotherapists sociologists theatre artists pastoral counselors and others in or planning on joining the help professions to provide a vital modality for energizing even the most passive groups The expanded and revised second edition begins by showing the reader how to structure sociodrama sessions how to facilitate the accomplishment of group goals through action and how to avoid some of the pitfalls of sociodrama directing It also includes the historical and theoretical foundations of sociodrama so that the practice of sociodrama can be placed in larger context The second part of the book focuses on the use of sociodrama in a variety of settings including the work place the school the political arena psychotherapy and spiritual settings This section also provides methods of marketing sociodrama and essays by other well known sociodramatists from around the world Students scholars and

educators in the social sciences and the arts as well as business professionals will find Sociodrama Who's in Your Shoes an invaluable guide to this effective learning process

Theatre for Women's Participation in Sustainable Development

Beth Osnes, 2013-11-26 Though development researchers have proven that the participation of women is necessary for effective sustainable development development practitioners still largely lack culturally appropriate gender sensitive tools for including women especially women living in poverty Current tools used in the development approach often favour the skill set of the development practitioner and are a mismatch with the traditional gendered knowledge and skills many women who are living in poverty do have This study explores three case studies from India Ethiopia and the Guatemala that have successfully used applied theatre for women's participation in sustainable development This interdisciplinary book has the opportunity to be the first to bring together the theory scholarship and practice of theatre for women's participation in sustainable development in an international context This work will be of great interest to scholars and practitioners in a wide variety of fields who are looking for creative solutions for utilizing the contributions of women for solving our global goals to live in a sustainable way on this one planet in a just and equitable manner

Art of Peace Formation Oliver P. Richmond, Stefanie Kappler, Birte Vogel, 2024-04-30 Artpeace represents a conceptual framing of the synergy between the arts and peacemaking as well as a methodological strategy for addressing war and political conflict through the arts Developing the concept of artpeace this book investigates how local art projects in seven locations across Africa Asia Europe and Latin America have played a role in broader national peace projects And it examines the blockages that at times prevent the arts from making a tangible difference to the variations of peace being designed

Philosophical Education Beyond the Classroom Markus Tiedemann, 2024-02-15 Didactics of philosophy and ethics demands problem based orientation and relevance for real life experiences However excursions extracurricular places of learning or outdoor education have hardly been taken into account A systematic exploration of possible cooperations synergy effects or incompatibilities has not yet been carried out The present volume attempts to close this gap and to create an initial basis for further research testing and discussion It is intended to make a contribution to teacher training at universities and study seminars as well as to exploratory research in subject didactics

Indiana's Best Practices Celebrating Diversity Indiana Civil Rights Commission, 1999

Self-study for Teacher Educators Anastasia Pantelides Samaras, 2002 Samaras teacher education The Catholic U of America Washington D C discusses the need for professors to practice self study the critical examination of one's actions and the context of those actions in their teaching practices in order to improve their students learning experience She explains her own experiences in self study as an educator and her design and utilization of a Vygotskian based model to change the shape of teacher education She describes two case studies using this model one inside

and one outside the teacher education classroom The author explores the implications of using self study and Vygotskian principles in teaching and the benefits of such work for both students and professors No subject index Annotation copyrighted by Book News Inc Portland OR *Africa and Beyond* Patrick J. Ebewo,Mzo Sirayi,Ingrid Stevens,2014-07-24 Africa and Beyond Arts and Sustainable Development is a massive undertaking by thoughtful theorists and practitioners in the creative cultural industry The combined effect of the volume is to disabuse the fixed prevailing conception of the role of culture in society a view that consigns the arts to the periphery of social life devoid of any meaningful contribution to the alleviation of poverty and general development Contrary to this view the volume presents a more comprehensive meaningful insightful set of perspectives and paradigms that ascribe agency to creative cultural products in all facets of human development The usefulness of the volume extends beyond the industry itself It is meant for a broader readership and is therefore highly recommended for specialists and the public at large Professor Mokubung Nkomo Deputy Vice Chancellor Tshwane University of Technology South Africa
