The God Effect is Real Sujith Ittan, 2025-07-14 Something is really wrong with our reality It appears that our minds are being manipulated Synchronicities and the collective unconscious are clues about the mind manipulation mechanism This mechanism is the God effect according to the author The God effect implies that there is an intelligent entity controlling our minds Who is this intelligent entity manipulating our minds A God must be responsible for the God effect How exactly is this God manipulating our minds in this reality that is based on the principles of materialism

that we know so well through our sciences We are unable to account for the God effect within the paradigm of materialism Are we in a reality based on idealism where consciousness is fundamental and an intelligent God exists in this context Or are we living inside a computer simulation What is the nature of our minds In order to account for God we have to question our understanding of our reality and we have to ask if we are truly in control of our minds thoughts and actions This is a gist of the God mind and reality problem that the author tries to discuss in this book In his first book the author wondered if a simulation accounts for the God effect In this book he wonders if idealism with consciousness first principles and an intelligent God solves the problem

Life Is about Choices Ed Scott,2009-10 Our lives are a continuous series of daily choices and the consequences of our choices should be intentional Are you a bystander watching your life events unfold in a random fashion Or do you recognize and make deliberate choices In *Life is about Choices* author Ed Scott details the myriad issues involved in making the important decisions in life Scott examines the relationship of human consciousness synchronicity and the law of attraction Because our beliefs and our dominant thoughts create our reality what we have thought about in the past has attracted our world of today and that which we believe and think about today will determine our future reality This ancient law of attraction is constantly at work in our creative universe as cause and effect A global resurgence of spirituality asks that we examine our core beliefs and values in order to awaken to a new reality *Life is about Choices* offers techniques and suggestions for awakening to that new reality and for finding optimal health financial security and purpose in a meaningful existence to find and return to our true spiritual being

The Psychology and Science of Pseudoscience Terence Hines,2025-03-12 This book provides a comprehensive review of numerous areas of pseudoscience and related pathological science It not only describes the factual bases for rejecting pseudoscientific claims but also emphasizes the psychological processes that lead to the acceptance of such claims This book is timely given the increase in misinformation over the past decade Using three principles of cognitive psychology this book helps explain why people are hard wired to accept and continue to believe in pseudoscientific claims It provides up to date discussions of numerous paranormal and pseudoscientific topics including the usual suspects UFOs and alien abductions astrology cryptozoology and more but also belief in conspiracy theories laboratory parapsychology bogus forensic science techniques the pseudopsychologies of Freud medical fraud and the unethical practices of Big Pharma Older research that was foundational in the critical examination of several topics is woven throughout to situate them in a historical context

Famous Wisconsin Mystics Hannah Heidi Levy,2003 *Famous Wisconsin Mystics* gathers over two dozen astrologers Tarot readers palmists psychics and spiritual healers for discussions on such topics as how they developed their abilities how messages come to them how they deal with skeptics the signifi

The Rule of Law Geoffrey de Q. Walker, 1988

The God Hypothesis Joe Lewels, 1997 The God Hypothesis offers a bold look at the alien abduction phenomena and challenges not only commonly accepted UFO theories but also the modern theological and scientific consensus views of reality By thoroughly examining evidence from various scientific disciplines Dr Lewels presents a compelling case for the reality of UFOs and their connection to the major religions of the world In so doing he causes us to re examine our own spiritual and religious beliefs and to see the Bible through modern scientific eyes a view that demystifies the ancient texts and reveals the true origins of the human race and its proper place in the hierarchy of intelligent life in the universe Lewels sees the UFO enigma as part of the process of human evolution in the physical sense as well as in the spiritual He proposes a solution that crosses the line between the physical material world and that spiritual dimension where quantum physics tells us that time and space cease to exist

Pseudoscience and the Paranormal Terence Hines, 1988 Examines the evidence behind many types of paranormal and pseudoscientific claims and explains through an analysis of the psychology of belief why people continue to believe in the reality of the supernatural

The Great Poem of the Earth Andrew Elkins, 1997 At the heart of Ferril s work is a vision of humankind s harmony with the world around it a vision that distinguishes the poet from most of his modern peers Ferril approaches nature intending respect rather than domination he sees no need to think of the human world and nature as essentially separate and opposing realms A genuine deeply felt mutual truth producing and hope affirming relationship between the poet and the world in which he lives most clearly

characterizes Ferril's work **Subject Guide to Books in Print** ,1997 Psychic ,1974 **Tarot** A. T. Mann,1999 Using a deck of 78 illustrated cards the tarot is an ancient system of wisdom that can enhance both your daily life and your spiritual development This text shows the reader how to use tarot as a tool for enhancing both their daily lives and spiritual development giving possible choices and routes that they may wish to pursue **Facta Philosophica** ,2000 The Info Journal ,1992 **There Are No Coincidences** Frank Joseph,2006-02 In There Are No Coincidences readers learn how to access modern day mystical experience through a phenomenon known as synchronicity The term refers to otherwise unrelated events that assume significance from the unique vantage point of a single observer For no apparent cause you happen to remember a friend you have not thought about for many years just then the telephone rings and the voice on the other end of the line is the same person you had in mind Such incidents are not merely statistical probabilities but if properly appreciated vital clues to understanding the mystery of our subtle connection with the Compassionate Mind that organizes all Creation Citing an abundance of anecdotal examples including synchronicities from the Titanic to the World Trade Center There Are No Coincidences clearly explains the simple methods used to interpret such paranormal happenings and how to apply them toward our own spiritual empowerment
