General notes

Climate Control regulates the temperature and the humidity in the vehicle interior and filters undesirable substances out of the air. Climate control is only operational when the engine is running. Optimum operation is only achieved when the side windows and the roof are closed.

To prevent the windows from fogging up, please observe the following information:

- **OFF** Switches off climate control only briefly
- **SW** Switches on air-recirculation mode only briefly
- **CC** Switch on the cooling function. In warm weather, the air inside the vehicle will be cooled. This function also dries the air in the vehicle.
- If necessary, briefly switch on the windshield defroster.
