The Place of Work in African Childhoods Bourdillon, Michael, Mutambwa, Georges M., 2015-10-19 This book is about how work enters and affects the lives of children in Africa taking for granted neither the traditional values surrounding children's work nor the international standards against it Many African societies nurture their children on the ingrained notion that children must work as part of their process of growing up Children participate in their families and communities through the work they do in the house and in whatever else their families do Such views are however antithetical to the dominant views in Europe and North America which see childhood as a time of freedom from responsibility and economic activity These views have become so popular with the elites in other countries to the extent that they now drive international campaigns against child labour and have been incorporated into what are now considered universal international standards and conventions This book was conceived within the framework of the CODESRIA tradition of taking African perspectives seriously and not allowing social research in Africa to become subservient to values from outside African scholars remain keenly aware of the need not to isolate themselves from developments in the wider world which could lead to stagnation This book through empirical observation of the lives of African children the work they do its place in their lives and what the children say about it proposes new perspectives towards a new understanding of this complex stage of human development Work is not simply about the right to income work provides identity and status in society and participation in the community People relate to one another through work Those who do not work are often without status and are at the periphery of society One of the major

ways in which this book differs from most of the available literature is in the understanding it brings to the problem of child labour. There are economic reasons why children may need an income of their own. There is the demographic fact that the proportion of children to adults in low income countries is nearly double that in high income societies. This book attempts to demonstrate that work is both necessary and beneficial in terms of a child's development to become a full responsible and respectable member of society. *Revue Africaine des Sciences de la Mission*, n° 38, juin 2015. Éthique et personnalité politique Emmanuel Bingono, 2015-06-01. Quelle est l'âme qui guide le politique camerounais ? Cette œuvre se meut elle dans le sens d'une finalité morale de l'action politique. Cet ouvrage se propose de décrypter la personnalité de l'homme politique dans un foisonnement interdisciplinaire. Dès lors il scrute le psychisme de l'homme politique africain et camerounais en particulier avec son contingent de représentations socio-anthropologiques subjectives afin de comprendre la société et ses dérives. **Karl Popper: Essence de la démocratie** Elias Yumba Mwadi, 2015-06-26. Dans la recherche d'une démocratie authentique en République démocratique du Congo et ailleurs en Afrique nous nous sommes librement engagé afin d'endiguer les pistes et en poser les jalons la théorie de la démocratie de Karl Popper nous a permis d'asseoir nos propres thèses. Popper en tant qu'observateur et témoin lucide de crises politiques de la première moitié du XX^e siècle combattant et critique résolu du totalitarisme fasciste nazi et communiste et défenseur passionné de la liberté et de la démocratie libérale a su proposer une théorie de la démocratie dont la rationalité et l'éthique peuvent exorciser la politique de ses griefs totalitaires. Ainsi la recherche d'une démocratie en Afrique et au Congo exorcisée de couleurs totalitaires et attentistes grâce à la référence la théorie popperienne de la démocratie voilà ce qui est notre préoccupation principale dans ce présent ouvrage.

La Question de la justice de proximité au Congo Jean-Pierre Mboto, 2015-07-16. Quel type de juridiction de proximité peut-on instituer au Congo pour satisfaire aux besoins de justice de la population ? Un regard croisé sur les systèmes juridictionnels congolais et français peut-il produire un effet de mixage capable de rapprocher la justice congolaise de ses usagers ? Cette étude adopte une approche de tissage du droit coutumier du droit moderne et des structures parallèles de règlement des conflits fonctionnant dans un système de foisonnement pluriel et multiforme. Abolies par une loi de 2013 les tribunaux de police et les tribunaux coutumiers jouaient un rôle majeur dans la justice de proximité en RDC. De la mise en parallèle des systèmes congolais et français une enquête de terrain aussi bien auprès des juridictions françaises de proximité qu'auprès des tribunaux de paix de Kinshasa cette étude permet de comprendre la complexité du système juridictionnel de proximité au Congo et dévoile ses dysfonctionnements. Posant un regard critique sur le passé et s'inspirant du système français l'auteur tente de mieux envisager l'avenir par une analyse pertinente des différentes juridictions officielles et des structures informelles de résolution.

Diagnostic approfondi pour la mise en oeuvre de la gestion communautaire de la chasse villageoise Nathalie van Vliet, Liliana Vanegas, François Sandrin, Daniel Cornelis, Sébastien Le Bel, Endamana Dominique, Ondoua Ondoua Gevais, Nicolas Gaidet, Christian Fargeot, Edouard Essiane, Jean-Charles Sicard, Marie Gely, Guillaume Lescuyer, Alain Billand, Robert Nasi, Camille Jépag, Idriss Ayaya, Lucile Broussolle, Jonas Muhindo, Fructueux Houngbégnon, Rémy Fagot, Simon Arnaud Mve Ba Zibe, Étienne Granier, Arnaud Kidiba, Fabrice Yapi, Dorielle Ngohouani, 2015-09-07 Les viandes d'animaux sauvages terrestres ou semi terrestres d'nommées viandes de brousse sont une composante essentielle de la sécurité alimentaire et des moyens de subsistance dans les zones rurales d'Afrique Centrale. Cependant, la pression croissante de la chasse a des effets tangibles sur la faune et est susceptible d'avoir des incidences long terme sur les écosystèmes forestiers. Il devient donc nécessaire de s'assurer que l'utilisation de la faune se pratique dans les limites de la durabilité. Certaines expériences pratiques nous montrent que plus les communautés locales sont impliquées dans le développement du processus de gestion, plus les chances de succès sont élevées. Afin de mettre en place un processus de gestion participatif de la faune, un diagnostic de l'état initial s'impose. Ce document s'adresse aux gestionnaires qui souhaitent établir un diagnostic préalable à la mise en oeuvre de la gestion communautaire de la chasse. Il présente les outils d'évaluation de l'importance de la faune dans les modes de vie locaux et les règles de gestion en place, les outils de cartographie du terroir de chasse, d'analyse des pratiques de chasse et le suivi des prélèvements par les chasseurs, l'analyse des ressources fauniques, l'analyse de la consommation de protéines au niveau local, l'analyse de la filière ainsi que quelques conseils pour la restitution des résultats. Il présente le principe général des méthodes et les illustre avec des exemples tirés du projet Gestion durable du secteur de la faune sauvage et de la viande de brousse en Afrique Centrale.

Le festival des entourloupes Yves Hajos, 2015-07-22T00:00:00Z La mairie de Cannes applique injustement un couperet juridique pour refuser de délivrer un permis de construire auquel ils avaient pourtant droit. Malgré le coup de poignard dans le dos de leur avocat ni eux et d'autres embêchés, ces deux gueux parviendront-ils à vaincre le pouvoir discrétionnaire du maire ou vont-ils sombrer dans l'autodestruction
