Usher Training Manual Dan Reiland:

Ushering with a Mission VICTOR L. DAVIS,2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ **The Usher's Manual** Leslie Parrott,1970 From the perspective of a veteran pastor and communicator Dr Leslie Parrott describes the function of the usher and provides practical and Scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency **The Publishers Weekly** ,1929 Church Usher's Manual Clyde Jackson,2024-07-24 Church Usher s Manual A Systematic Approach to Church Ushering has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church As you study this book you will learn that at no time should a parishioner walk the aisle looking for seats Assign them immediately Ushers should be alert at all times This book if necessary can be used in conjunction with any other church ushering materials Ushering with a Mission Victor L. Davis,2004-07 Although this training manual seeks to address the proper protocol to be employed while the usher carries out his or her duties Davis emphasizes the importance of ushering from a Christ centered biblical perspective Church Administration Pastoral Resources The Ushers, Protocols And Greeters That Every Church Needs Albert O. Aina,2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written

36 books to date but none on Ushers Protocol and Greeters until now. A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church. Their invitation came a bit late. I could not be there physically. I didn't have a book on Ushers or crowd control. Only a manual. Churches get confused on the role of ushers as different from protocol officers. I have witnessed ushers and protocols fight for territories in churches. A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed. There was no book to show where each belong. A particular ministry scrapped the word Ushers from the list of ministries. The General Overseer banned the entire ushers from officiating in the length and breadth of the church. His reason: Brethren have the Holy Spirit to direct them. No need for Ushers and the church went on smoothly thereafter. I had no book to give to the man of God. No book I could give until 20 years later. Who are Ushers? Who are Protocol officers? Who are Greeters? Who are Traffic Controllers? I didn't write any book to explain. I only explain during workshop session. Now the explanation has become handy.

Church Usher: Servant of God David R. Enlow, 2006-01-01. Church Usher Servant of God: A Concise Ministry Manual, Updated Edition by David R. Enlow is a brief, concise book, 68 pages in length, that gives the church a good look at an often overlooked vital ministry within the church. In the past, the role of the church usher has often been underestimated by church leadership. Anyone can help do this job, some say. Proven methods of effective ushering is a concept, but the ministry of ushering takes on new dignity and in this practical and biblically based study prepared in consultation with ushers from small to large churches. Church Usher Servant of God may be used as a self-improvement study for individuals or taught in a class setting. Head ushers will find it an excellent reference tool for the execution of their duties for their team. Each short chapter ends with a summary and thought-provoking questions to stir discussion and to help with further study.

How to be a GREAT Church Usher Madge Obaseki, 2017-09-30. How to be a GREAT Church Usher is an easy-to-use, exciting workbook. It contains Teaching Plans, Guidelines, and an Evaluation Form. Student Handouts, Diagrams, and Exercises. Perfect for anyone new to ushering or to refresh those who might be a little jaded. It is underpinned by biblical principles including conflict management.

Usher's Manual Alfred DeWayne Hill, Sr., 2011-01-31. This is an usher's manual to be used in the Negro churches of the United States. Dr. Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest. Thus, the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God.
