On the day of the test, you will need to arrive at the testing center 15 minutes prior to the beginning of your appointment to allow time for the check-in process. Be sure to leave yourself enough time for traffic, finding the test center location, parking, and getting to the exam room.

The assessment is designed to be taken without interruptions or breaks. Please be sure to take care of any personal needs before appointment check-in.

Please bring with you to the testing center:

- ☒ Government-issued Photo ID
- ☒ Assessment site Login ID and Password

If you are more than 15 minutes late for your assessment appointment, you will not be permitted to test.

What to Expect in the Exam Room

Upon arrival, you will be required to present one piece of state or U.S. Federal Government issued photo ID as specified in your appointment confirmation email. If you are a current USPS employee, you may bring your USPS ID badge.

You will not be permitted to take the assessment if you do not present an ID meeting the stated requirements.

You will need your Login ID and Password to access the testing website. Please bring this information with you to the testing center.

When you are ready to begin, the examiner will provide you with ear plugs or headphones and assist you with logging in to start the test.

The test will be entirely administered and timed by the computer. All of the testing instructions will be provided by the computer. Before the test starts, you will see several practice and instruction screens. These screens explain how to use the computer to take the test and guide you through practice test items.

Other candidates might begin or end their exams at different times than you. In addition, the proctor is required to monitor the session frequently, so will be entering and leaving the test room as needed. All reasonable efforts will be taken to keep distractions to a minimum.

At the end of your exam, you will have the opportunity to complete an online exit survey where you can provide feedback regarding your testing experience.

You must check out with the examiner before leaving the Testing Center.

The examiner will not have access to any information related to your assessment results or your next step. You will receive an e-mail message with instructions on how to access your test results.
