 Foundations of Scientific Understanding Bernard J. Nebel Ph.D.,2014-10-09 Building Foundations of Scientific Understanding
 BFSU BFSU is for teachers homeschoolers and other educators to deliver a first rate science education to K 8 students and
 older beginning science learners Vol I here is for grades K 2 and older beginning science learners Volumes II and III are for
 grades 3 5 and 6 8 and older progressing science learners BFSU provides both teaching methodologies and detailed lesson
 plans embracing and integrating all the major areas of science BFSU lessons follow structured learning progressions that
 build knowledge and develop understanding in systematic incremental steps BFSU lessons all center around hands on
 experience and real world observations In turn they draw students to exercise their minds in thinking and drawing rational
 conclusions from what they observe experience Therefore in following BFSU students will be guided toward conceptual
 understanding of crosscutting concepts and ideas of science as well as factual knowledge and they will develop mind skills of
 scientific thinking and logical reasoning in the process Implementing BFSU requires no particular background in either
 science or teaching Teachers parents can learn along with their children and be excellent role models in doing so Already
 widely used and acclaimed in its 1st edition form this second edition of BFSU contains added elements that will make it more
 useful in bringing students to master the Next Generation Science Standards NGSS **More Picture-perfect Science
