works from a broad spectrum of authors ranging from the brooding landscapes of the Brontë sisters to the psychological depths explored by Edgar Allan Poe showcases the genre's ability to evolve and adapt, remaining vibrant and profoundly influential over the decades. The contributing authors and editors of this collection are titans in the literary world whose individual and collective contributions have not only defined the contours of Gothic fiction but also influenced numerous cultural and literary movements. The backgrounds of these authors, encompassing the transformative periods of Romanticism, Victorianism, and early modernism, offer a rich tapestry of socio-political contexts that deeply inform their Gothic creations. This diversity of perspective enriches the collection, allowing readers to traverse the manifold expressions of Gothic tension and terror while engaging with the historical conditions that spurred their creation.

60 GOTHIC CLASSICS Boxed Set is essential reading for anyone eager to delve into the shadowy corridors of Gothic literature. It presents a unique opportunity to experience the multifaceted dimensions of fear, obsession, and longing that characterize the genre. This anthology not only serves as a comprehensive educational resource but also invites readers to witness the dialogues between different epochs, cultural shifts, and literary styles. It is a testament to the enduring allure and relevance of Gothic fiction, making it a must-have for scholars, enthusiasts, and newcomers alike.

Meet a Dark Stranger Jennifer Wilde, 2015-02-10. In New York Times bestselling author Jennifer Wilde's spellbinding tale of romantic suspense, an ominous horoscope proves eerily accurate for a woman visiting a quaint English town. You will make a sudden journey and meet a dark stranger. Author Jane Martin doesn't believe in fate, so when she stumbles across her horoscope in the newspaper one day, she decides to disregard it. But then her widowed brother calls, asking her to take care of his children while he's away at a science conference. He's even booked her a first-class train ticket. En route to her brother's house, Jane is accosted by one stranger, only to be rescued by another. One of these handsome men is destined to come back into her life because peaceful centuries-old Abbotstown has been rocked by a string of bizarre burglaries and a murder. There are no leads or suspects, but Jane's precocious niece Rebecca insists she knows things the police aren't aware of. After someone tries to break in to the house, Jane finds herself surrounded by too many men who say they want to protect her and the children. Suddenly, she fears she is a pawn in a sinister intrigue in which she will not be able to distinguish hero from villain.
