What Was The World Of Jesus A Journey For Curious Pilgrims:

What Was the World of Jesus? Carl Roemer, 2014-06-06 In some ways the Gospels are like the text of a drama If you ve read the script of a play and then seen it performed you realize how different a text can be interpreted when it is transferred from page to stage All of the Gospels were originally read aloud to an audience that was intimately familiar with the background and that gave the words immediacy meaning and vibrancy In today s world we are no longer privy to that scenery In order to fully grasp the message of the gospels we must bring that context to our minds eyes as much as possible What Was the World of Jesus A Journey for Curious Pilgrims seeks to provide the necessary scenery so that the Gospels can again be heard in a way that is closer to the experience of that original audience hearing them read aloud Author Carl Roemer presents it in the form of a journey or pilgrimage leading us on an adventure into a world that is very different from our own world On this journey we can encounter the story behind the story a background that opens up a fresh new experience of the Gospels and shares the words and actions of Jesus as they were experienced by early Christians

Invading the Realm of Demons, Disease, and Death Carl E. Roemer, 2024-01-29 This study of the miracles attributed to Jesus in the Gospels begins with a survey of the sciences because in our present cultural context materialism is the dominant approach to and understanding of our world of history and of our very selves If the materialist s understanding is true then there is no such thing as miracles because every event must occur as the result of some previous material events Contemporary biblical scholarship mostly approaches the miracle stories from a materialist point of view It questions their historicity because they violate what has now become the entrenched modus operandi in our culture and society operating with the idea that the universe is a closed nexus of cause and effect The miracles are understood then as products of the community and not historical reports although according to this line of scholarship they may be based on some vague recollection of Jesus s activity that somehow had healing effects Modern science however as one scientist has put it in climbing the mountain of knowledge has reached its peak and found a theologian at the top The sciences in other words have led to the implication that our universe has a creator and that the universe and the human genome have been designed

The Beloved Son as Tantalizing Teacher Carl E. Roemer, 2021-08-23 The Beloved Son as Tantalizing Teacher is a contribution to the study of the historical Jesus It is meant for anyone interested in Jesus as a person as well as part of the academic project of discovering his humanity and his place in history To truly uncover him in this way the facts of his Jewish historical context are foundational The context is in terms of six dynamics or factors the history of late antiquity of the Mediterranean world from Alexander to the destruction of the temple and how people in the land of Israel interacted with that history Israel s economic social religious and political structures and the ecology of the land of Jesus time In particular we understand Jesus and the movement he initiated as part of other renewal movements of his time and place that arose to confront what most of his contemporaries perceived as the corrosion of Jewish society So the Jewish people of the first

century living in their patrimonial land of Israel were embroiled in a crisis that threatened to overwhelm the nation The Beloved Son as Tantalizing Teacher sums up the situation with the pithy phrase borrowed from one scholar as a people whose backs were against the wall **The pilgrim's progress from this world to that which is to come [pt.1,2] ed. by G. Offor** John Bunyan,1847 **The Pilgrim's Progress from this World to that which is to Come** John Bunyan,George Barrell Cheever,1863 *The Living Church* ,1999 **Curiosity and Pilgrimage** Christian K. Zacher,1976 **Pilgrim Paradigm, The** Brouillette, André,2021 This book aims to explore what pilgrimage has to teach about God the faithful and the Church thereby challenging and enriching theology *Religious Pilgrimage Routes and Trails* Daniel H Olsen,Anna Trono,2018-05-30 For millennia people have travelled to religious sites for worship initiatory and leisure purposes Today there are hundreds if not thousands of religious pilgrimage routes and trails around the world that are used by pilgrims as well as tourists Indeed many religious pilgrimage routes and trails are today used as themes by tourism marketers in an effort to promote regional economic development An important resource for those interested in religious tourism and pilgrimage this book is also an invaluable collection for academics and policy makers within heritage tourism and regional development Pilgrim Band Tom Bandy,2025-03-21 The quest for hope is the driving force of religion today The Christian movement is entering a new era of smaller companionships mutual mentoring and social service The Pilgrim Band emerging around the world is a fluid flexible mobile highly committed and mutually accountable group of spiritual travelers earnestly seeking the immanence of God Existential anxieties are motivating people in all cultures and careers to seek mentors who can help them discern meaning and purpose in their lives This is as true for emerging generations alienated from institutional religion as it is for older generations disillusioned by corporate organizations The Pilgrim Band is a non institutional non professional alternative to the established church It thrives both physically and virtually across the secular and sacred boundaries of societies In Pilgrim Band Our Shared Quest for Meaning and Purpose readers will join the Pilgrim Band on its rediscovery of these ancient methods of maturation Such a quest for meaning and purpose leads toward a perfect alignment of the heartbeat of one s soul through a heart burst for the lifestyle mosaic of the world with the heart song that fulfills one s life Ultimately this quest of hope leads to a destination of joy
