Hollywood Gossip Jack: I never had anything growing up I was a homeless orphan doing what I could to survive One night I got lucky DJing and a record label hired me My first album took off but I can't seem to replicate its success So instead I drink and I party And I do whatever else I can to avoid my problems Until she walked in Tate's like, no one else I've ever met She's obsessed with her work But that's not why I'm drawn to her She's funny, she's sexy and she's one of the smartest people I've ever met And I think she hates me I mean I don't blame her We couldn't be more different But what if she didn't hate me Could our workplace collaboration turn into something more or am I living in a romantic fantasy Tate: What's it really like to grow up rich and famous Pressure So much pressure Unbelievable, inescapable pressure My whole life has been about building my

brand as an actor and singer Reaching the top of the Hollywood ladder I will not let anyone screw it up Not even Jack He s talented sure but his work ethic is practically non existent I have no time for people like him Yet I m weirdly drawn to him and I can t work out why He s so different to anyone else I ve ever met so completely outside of my celebrity bubble It s refreshing But it s also dangerous He could completely ruin everything I ve spent my whole life building Am I about to screw up my whole life for one guy For one chance at love Hollywood Parents Tate My parents are divorcing after 30 years of marriage Oh and I just accidentally found out I m adopted Cue identity crisis With parents who won t stop arguing an ex boyfriend I can t stop thinking about a sexy Texan model I ve treated terribly and a career on the rocks it s no understatement to say that my chipper demeanour is under threat But I can totally handle it Can t I Jack Life isn t nearly as fun as I wait to be I think my best friend might be turning into my best frenemies But how can I be sure It s hard to work out when I m also battling a gruelling touring schedule and might lose my house All things considered I think I m handling everything pretty well Aren t I Hollywood Drama Tate I m so sick of everyone seeing me as and treating me like a child star I m in my twenties I m not a child anymore So I m leaving My management company My record label And the country It s time for a fresh start If only the rest of the world agreed Jack I ve officially made it as a DJ I m doing a residency in Ibiza It doesn t get much better than spending the summer surrounded by music sunshine and parties But can I resist the never ending supply of drink and drugs in the clubbing capital of Europe And what does spending the summer away from Tate mean for our relationship If you re looking for a serial will they won t they romantic drama about love hate and the pressures of fame you won t find one that s more of a rollercoaster read than this For fans of Marian Keyes or Paige Toon this is the first book in an on off love story featuring strong language detailed descriptions of mental health conditions and found family **Feng**
