When I Was A Child As Given By The Cosmic Christ:

When I Was a Child Joy-An Tucker, 2015-04-29 This book is a collaboration and communion between the author and the Cosmic Christ who chose Joy An to write it In the spirit of trust innocence joy and humor it is the energy and essence of the Cosmic Christ reaching out to every reader heart to heart This is not a child s book but a book for the child in every divine human This book is not about intellectual understanding it is about heart knowing and experience through the images presented here It is about developing a new self image in attunement with the divine being that you are It illustrates that we evolve spiritually through the playful wisdom of trust and harmlessness and outrageous boldness knowing that every human of any age is a child of God Beyond religion the Cosmic Universal Christ crosses religious boundaries and gathers all in his heart It is mystical poetic humorous imaginative childlike and wise at the same time Wise masters have said the truth is simple This book is simple truth *Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 4* John P. Keenan, 2024-02-26 In a Tiantai theology conventional truth is conventionally arisen which means that such truth is never set once and for all but is to be cherished and rethought in new circumstances whether interreligious or scientific but always in critical consonance with its ancient embodiments Contexts shift frameworks but life in Christ is translatable across cultures Christian faith and theology discourage the assumption that the point of it can be clearly pinned down God s appearance to Elijah out of the whirlwind is an eternal reminder of the paltriness of all human perspectives Symbolic worlds of faith and wisdom are not themselves finished products Because it has a past and a future the cosmos itself is unfinished Christian creeds ought not be defended as last word ideological positions and bastions against relativity but instead recognized in their cultural contexts and affirmed as grammars of communal and personal assent *Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 2* John P. Keenan, 2022-09-09 This is volume 2 of a wide ranging interfaith reading of the Letter to the Ephesians a New Testament text whose words have inspired and enhanced Christian spiritual life and liturgy over the centuries Unfortunately at the same time Ephesians has provided apparent scriptural support to those who would defend slavery patriarchy misogyny and the physical power of Christ over the cosmos How on earth are today s Christians to receive and understand such a text as this *Earthing the Cosmic Christ of Ephesians The Universe Trinity and Zhiyi s Threefold Truth* draws upon a broad array of scientific theological and philosophical thinkers who enable us both to marvel at today s ever expanding knowledge of our vast cosmos and to appreciate the importance of the Ephesian letter in the canon of our Christian scriptures even while we acknowledge the archaic geocentric cosmology that underlies its claims about the cosmic Christ and reject its accommodation to the patriarchal misogynistic and slaveholding norms of its first century culture Throughout this reading of Ephesians we look to Chinese Buddhist master Zhiyi and his threefold truth to enhance our understanding of trinity and the nascent trinitarian themes within this letter As a whole this work constitutes a new appreciation for Ephesians as well as a twenty first century
