When Im 64 Planning For The Best Of Your Life:

When I'm 64 Marvin Tolkin, Howard Massey, 2009-09-30 Once you hit that magic age of 64 give or take a few years and stop working what are you going to do with the rest of your life How can you accumulate enough assets to allow you to continue to live a comfortable lifestyle How can you use your retirement years most productively How can you stack the odds in your favor in terms of maintaining both physical and mental health These are the questions facing millions of baby boomers today This book provides the answers In these pages you ll discover a practical common sense approach that can lead to a happy and fulfilling retirement beyond your wildest dreams making the rest of your life truly the best of your life The interweaving of Marvin Tolkin s life story a true success story with folksy wisdom practical advice and incisive commentary is a powerful combination Every baby boomer and their children should read this book From the Foreword by Dr Robert N Butler Pulitzer prize winning author and President and CEO International Longevity Center When I'm

Sixty-Four Teresa Ghilarducci, 2017-10-31 A crisis is looming for baby boomers and anyone else who hopes to retire in the coming years In When I m Sixty Four Teresa Ghilarducci the nation s leading authority on the economics of retirement explains how to confront this crisis head on revealing the causes behind the increasingly precarious economics of old age in America and proposing a bold plan to guarantee retirement security for every working citizen Retirement is one of the hallmarks of a prosperous civilized market economy Yet in America today Social Security is on the ropes Government and employers are dismantling pension security forcing older people to work longer The federal government spends billions in exemptions for 401 k s and other voluntary retirement accounts yet retirement savings for most workers is falling Ghilarducci takes an unflinching look at the eroding economic structure of retirement in America and what she finds is alarming She exposes the failures of pension regulators and the false hopes of privatized Social Security She tells the ugly truth about risky 401 k plans do it yourself retirement schemes and companies like Enron that have left employees without any retirement savings Ghilarducci puts forward a sweeping plan to revive the retirement income system a plan that will ensure that after forty years of work every American will receive 70 percent of their preretirement earnings guaranteed for life No other book makes such a persuasive case for overhauling the pension and Social Security system in order to provide older Americans with the financial stability they have earned and deserve **Summary: When I'm Sixty-Four** BusinessNews
