When the KJV Departs from the "majority" Text Jack A. Moorman, 1988 *When the KJV Departs from the So-called Majority Text* Jack A. Moorman, 1988 **Answers to Your Bible Version Questions** David W. Daniels, 2011 Did God preserve His words Or does my Bible contain errors If you believe God preserved His words where can you find them History shows that there are two streams of Bible texts and they are not the same Obviously both of them cannot be correct Respected linguist David Daniels proves beyond a doubt how we can know the King James Bible is God s preserved words in English He answers many of the difficult questions the so called experts throw against the King James Whether you want to defend the King James Bible or learn which Bible you can trust you will find the answers here **In His Name E.** Christopher Reyes, 2014-08-15 One naturally assumes that when they listen to their Pastor Reverend or Priest that they speak the truth and takes for granted that when the Pope speaks he also speaks the truth Yet few Christians are conscious much less concerned to hear about the truth or of how they have been deceived for centuries and betrayed again by their sacrosanct religious institutions bent upon enriching themselves by their ignorance of the faiths history and gullibility This book deals with the truth the truth which many Christian sects do not wish to convey to their followers For almost two thousand years Christians have maintained that Jesus was God incarnate a sinless man a man born of a virgin mother a man who was the embodiment of perfection on earth which is unflinchingly stated in their Christian Bibles the New Testament Jesus Who did no sin neither was guile found in his mouth I Peter 2 22 King James Authorized Version Cf Luke 2 48 Joseph is Jesus father We are dying today from the fact of not having anyone who knows how to lay down his life for the Truth Pierre Teilhard de Chardin S J quoted in *The Jesuits The Society of Jesus and the Betrayal of the Roman Catholic Church* by Malachi Martin author of *Vatican and The Final Conclave* pg 286 1987 **Chronology of the Old Testament** Dr. Floyd Nolen

Jones,2005-03-01 The Chronology of the Old Testament has one goal to accomplish to demonstrate that every chronological statement contained in the Sacred Writ is consistent with all other chronological statements contained therein Author Floyd Nolen Jones carefully and thoroughly investigates that chronological and mathematical facts of the Old Testament proving them to be accurate and reliable This biblically sound scholarly and easy to understand book will enlighten and astound its readers with solutions and alternatives to many questions Bible scholars have had over the centuries Features Scriptural solutions to many biblical mathematical controversies Sir Robert Anderson's calculation error corrected The 483 year prophecy of Daniel 9 25 explained A scriptural formula which biblically synchronizes the kingdoms of Judah and Israel 48 charts graphs and diagrams included in text Fully indexed with complete bibliography Supports and updates James Ussher's Annals of the World With reliable explanatory text detailed charts and diagrams this book provides a systematic framework of the chronology of the Bible from Genesis through the life of Christ No Bible scholar should be without this indispensable reference tool

Assault on the Remnant Ted Schultz,2016-06-17 It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority

Biblical Criticism in Early Modern Europe Grantley McDonald,2016-07-27 Medieval western theologians considered the Johannine comma 1 John 5 7 8 the clearest biblical evidence for the Trinity When Erasmus failed to find the comma in the Greek manuscripts he used for his New Testament edition he omitted it Accused of promoting Antitrinitarian heresy Erasmus included the comma in his third edition 1522 after seeing it in a Greek codex from England even though he suspected the manuscript's authenticity The resulting disputes involving leading theologians philologists and controversialists such as Luther Calvin Sozzini Milton Newton Bentley Gibbon and Porson touched not simply on philological questions but also on matters of doctrine morality social order and toleration While the spuriousness of the Johannine comma was established by 1900 it has again assumed iconic status in recent attempts to defend biblical inerrancy amongst the Christian Right A social history of the Johannine comma thus provides significant insights into the recent culture wars

Practically Identical Bibles: The Geneva Bible, the KJV, and the NKJV? Kennedy,2018-04-06 Matthew who had at first preached to the Hebrews when he was about to go to other peoples committed his Gospel to writing in his native tongue and thus compensated those whom he was obliged to leave for the loss of his presence Eusebius Church History Book III 24 6 Matthew also called Levi apostle and aforesaid publican composed a gospel of Christ at first published in Judea in Hebrew for the sake of those of the circumcision who believed but this was afterwards translated into Greek though by what author is uncertain Jerome Illustrious Men Chapter 3 The primary source for Matthew should be a Hebrew text rather than the typical Greek text If you don t find the Hebrew primary source compelling that s fine Read it from the Greek Both teach the same Christ If you like the idea of the Hebrew text and want to see how a traditional translation would have been different you can compare the footnotes in your favorite translation to this translation to get a sense of whether or not your favorite translators would have dealt with the text differently given this Hebrew source instead of the Greek **King James Only?** Dr. Robert A.
