the Invisible, You Can Do the Impossible Oral Roberts, 2011-07-28 Everything done by Dr Roberts has the personal touch of his great love and care for God s people Now in the sunset of a life that has touched millions around the world he passionately reveals the truths that have altered his life and awakened the church From the presence of the invisible God he brings to you the hidden keys that will unlock God s power as it releases His compassion **Still Doing the Impossible**

Oral Roberts, 2002 For more than 50 years Oral Roberts has been taking the good news of Jesus Christ to the ends of the earth totally dedicated to bringing God s healing power for the whole person Everything done by Dr Roberts has the personal touch of his great love and care for God s people Now in the sunset of a life that has touched millions around the world he passionately reveals the truths that have altered his life and awakened the Church From the presence of the invisible God he delivers the keys that will unlock God s power in your life as it unleashes His love These truths will work for the plumber as well as the preacher the bus boy and the businessman the carpenter and the cleric the housewife as well as the handyman They are precious truths that transcend time and culture **God's Generals** Roberts Liardon, 2011-03-31 In his fourth God s

Generals volume Roberts Liardon chronicles God s great healing evangelists of the twentieth century Journey with such paragons of faith as Oral Roberts one of the most influential Christian leaders in the twentieth century Roberts had a healing ministry that spread from rural tent meetings to a world class university hospital and medical school Lester Sumrall after being miraculously healed of tuberculosis as a boy Sumrall dedicated the rest of his life to sharing the gospel and God s healing power with audiences around the world both in person and through television broadcasts Charles and Frances Hunter often called the Happy Hunters Charles and Frances were known around the world as two of the most anointed and enthusiastic evangelists on earth George Jeffreys this Welsh Pentecostal preacher ministered along with his brother Stephen at camps conventions and church meetings across England and Ireland with reports of miraculous healings and other acts of God accompanying them F F Bosworth a Depression era Pentecostal faith healer and one of the founders of the Assemblies of God Bosworth was known during the 1920s for his interdenominational big tent revivals and large auditorium healing meetings As you read about the lives of these ministry pioneers your faith for signs and miracles will grow as you anticipate seeing God s mighty hand move in the church today **The Hope Habit** Terry Law, 2011-10-31 Whatever happened to hope

If you feel trapped by your circumstances and can t see a way out Terry Law wants to show you a new paradigm the paradigm of hope which he defines as the confident expectation of the goodness of God This is not cheap optimism a pep talk

sprinkled with Bible references This is real hope the kind that knows God causes all things to work together for good to those who love God to those who are called according to His purpose This book is all about hope as a mindset a habitual choice the course of first resort when despair tries an ambush In other words whether you are hopeful or hopeless is up to you Perhaps you think it s too late for you to make such a shift in your thinking that you can t teach an old dog new tricks But you re wrong No matter how many years may have slipped through your fingers thanks to God s grace and mercy every minute of your future is still on your side **Say That Again** Norman Cox,2021-03-29 With over forty eight years of ministry and business behind me and countless hours of study and preparation for writing and speaking it is not surprising that I have some insights to pass on to you One result is this collection of truths about life These revelations are what I like to think of as modern day proverbs given in contemporary language These are quotes inspired by life experiences and many truths found scattered throughout God s Word Often when I have shared these quotes people would stop and say to me Say that again What did not make sense at first did so when they heard it again In all these tidbits of knowledge and direction I feel sure you will find at least one quote that will really jump off the page and catch your attention Take some time to glean from all these years of study ministry and life experiences You may find a quote you will never forget Nothing is worth more to remember than a quote about life based on the truth of the Word of God Enjoy these quotes and their interpretations and you too may receive a life quote that you can pass along to others Don t be surprised if someone one day says to you Say that again

The Oxford History of Protestant Dissenting Traditions, Volume V Mark P. Hutchinson,2018-10-17 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and Royal Supremacy but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume V follows the spatial cultural and intellectual changes in dissenting identity and practice in the twentieth century as these once European traditions globalized While in Europe dissent was often against the religious state dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization changing imperial politics challenges to biblical denominational and pastoral authority local cultures and languages and some of the century s major themes such as race and gender new technologies and organizational change In so doing they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of

religion and in particular Christianity **The Last Book of Wisdom** Pastor James Okon,2019-03-20 There are 250 entries in the medley package It is not the idea of the writer to arrange them into sections but he simply let the ideas flow from the crucial to the more essential just the way they were handed down to him They are all built for you though they cannot all apply at the same time Wisdom is proven by the result it produces in the lives of those who follow after it **A Higher Dimension** Ryan LeStrange,2019 You weren t born into a season You were born into a dimension This book will show you what it means to function in the realm of God s kingdom and how you can demonstrate its power A dimension is not a time but a space a place and a location The Bible speaks of the kingdom of God as a realm By becoming Christians we move into the space of the kingdom And as we come into proper understanding of the weight and reality of the kingdom we are able to subdue the forces of hell at work in the earth realm For He rescued us from the domain of darkness and transferred us to the kingdom of His beloved Son in whom we have redemption the forgiveness of sins Col 1 13 14 NASB We have been translated or transferred from one place to another We have been relocated from one realm to another We have moved from one dimension to another Through His sacrifice on the cross Jesus paid our debts fully and transferred us from under the authority of darkness into His marvelous power and rule We are now fully active citizens of the kingdom and we are called to dwell in a new dimension When we function from this dimension we demonstrate the power of the kingdom and transform the space around us This book will encourage believers to access the fullness of the power and authority that is available to them as ambassadors of the kingdom of God by helping them to understand the nature of this dimension and their position in it Other Books by Ryan LeStrange The Jochebed Anointing ISBN 978 1 62999 645 5 The Power of the Double ISBN 978 1 62999 663 9 Hell s Toxic Trio ISBN 978 1 62999 488 8 Supernatural Access ISBN 978 1 62999 168 9 **The Measurement of Righteousness** Elder Albert K. Chepaka,2017-10-13 The author of The Measurement of Righteousness uses secular educational measurement and evaluation methods to illustrate the measurability of the spiritual state of man s life through the performance of physical lifestyles and activities The book scores and evaluates man s activities in different perspectives Through physical activities of good and bad deeds Through spiritual faith based practices that determine their respective destinations either Heaven a place of bliss or Hell a place of torment as illustrated on the front cover It also examines categories of men their characteristics and background types by inclination of godliness or devilishness Man is viewed as being weighed on God s word in relation to his obedience believing that all about man s sufferings in this world emanates from his disobedience to God s word Its consequent effect caused man the loss of his paradise known as the Garden of Eden The book concludes by enjoining man the wicked to repent and be righteous It also calls on believers to examine themselves and retrace their steps to be on the high side in righteousness on God s scale to obtain eternal life in God s kingdom on the day of judgment after rapture of the church believers or saints
