Sellers, 2014-09-24 Bachata a guitar based romantic music that debuted in Santo Domingo s urban shantytowns in the 1960s is today one of the hottest Latin genres Still fans and musicians have not forgotten the social stigma the genre carried for decades This book interweaves bachata s history and development with the socio political context of Dominican identity The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations the growth of the lower class and a devoted following among Dominican migrants La bachata una musica de guitarra que se estreno en los barrios populares de Santo Domingo en los anos 60 hoy es uno de los generos latinos mas populares No obstante sus aficionados y sus exponentes recuerdan el estigma social asociado que conlleva por decadas Este libro entretene la historia y el desarrollo de la bachata con el contexto socio politico de la identidad dominicana La autora plantea que su desaprobacion temprana resulto del clima politico en que nacio y los vinculos entre raza y clase social Propone que su aceptacion final como simbolo de identidad dominicana surge de sus innovaciones el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos Living a Country Year Jerry Apps, 2007-06-15 Tales of growing up on a Midwestern dairy farm in the 1940s month by month with aphorisms and recipes from the bestselling author of Country Wisdom The Secret of Meadow Brook Orphanage D. C. Johnson, Ron Rowan, 2012-05 It is said that love is the greatest gift of all but in reality there are two greatest gifts One is love that much we already know to be true However the second greatest gift is that of being a child for it is only as a child that one knows how to truly believe And it is this simple act of believing that has its own special kind of magic as you will see in this story When a child believes there is an energy that feeds everything and everyone around them It feeds even those magical beings who most adults can no longer see nor will they ever see again because they no longer know how to see that which they stopped believing in Sadly enough there are even some children who stop believing Sometimes it takes the energy of other children to awaken their beliefs again and that is also the case in this story So I invite you to reconnect to the magic that each of us once had the magic that children always hold and the magic that will bring you to a place where everything is possible All you have to do is believe **Hand-Me-Downs** Wren Richards, 2023-05-12 It is the early thirties and Clinton and Mader Morehouse are doing their best to raise their six children during one of the harshest times in America
