When Mystical Creatures Attack Iowa Short Fiction Award:

When Mystical Creatures Attack! Kathleen Founds, 2014-10-01 In *When Mystical Creatures Attack* Ms Freedman's high school English class writes essays in which mystical creatures resolve the greatest sociopolitical problems of our time. Students include Janice Gibbs a feral child with excessive eyeliner and an anti-authoritarian complex that would be interesting were it not so ill informed and Cody Splunk an aspiring writer working on a time machine. Following a nervous breakdown Ms Freedman corresponds with Janice and Cody from an insane asylum run on the capitalist model of cognitive behavioral therapy where inmates practice water aerobics to rebuild their Psychiatric Credit Scores. The lives of Janice, Cody and Ms Freedman are revealed through in-class essays, letters, therapeutic journal exercises, an advice column, a reality show, television transcript, a diary and a Methodist women's fundraising cookbook. Recipes include Dark Night of the Soul Food, Render Unto Caesar Salad and Valley of the Shadow of Death by Chocolate Cake. In *Virtue of the Month* the ghost of Ms Freedman's mother argues that suicide is not a choice. In *The Un Game* Janice's chain smoking nursing home charge composes a dirty limerick. In *The Hall of Old Testament Miracles* wax figures of Bible characters come to life hungry for Cody's flesh. Set against a South Texas landscape where cicadas hum and the air smells of taco stands and jasmine flowers, these stories range from laugh-out-loud funny to achingly poignant. This surreal, exuberant collection mines the dark recesses of the soul while illuminating the human heart.

My Name Was Never Frankenstein Bryan Furuness, 2021-12-22 Tarzan Odysseus Zorro. Your favorite characters come back to life in new and exciting escapades in this must-have anthology. In this inventive collection a stellar cast of writers uses classic adventure tales as a launch pad for an eclectic mix of prequels, alternate universes, spin-offs and total reboots. Imagine Ahab is shipwrecked on an island of cannibals or Mr Hyde tells his side of the story or the scarecrow from Oz struggles with the mystery of his existence. By turns wry and haunting *My Name Was Never Frankenstein* upends old territory and classic characters to reclaim them for a new generation. Editor Bryan Furuness explains that while this playful collection of 14 short stories by 14 different writers all have similar jumping-off points they jump in different directions. The result is, as Furuness says, wild and grand and strange. *Bloom Magazine* *The Lovers Set Down Their Spoons* Heather A. Slomski, 2014-10-01 Winner of the 2014 Iowa Short Fiction Award Heather A Slomski's debut story collection takes loss as its primary subject and holds it up to the light. In prose spare and daring, poised yet startling, these stories take shape in reality but reality, they sometimes show us, is not a separate realm from the fantastic or the surreal. Two couples meet for dinner to acknowledge an affair. A mannequin recalls a lover and the life she mysteriously lost. Two girls observe a young widow's grief through a café window. A man's hat is as discerning as Cinderella's shoe. In the fifteen stories that comprise this collection, some short as breaths, two of them novelettes, Slomski writes with a keen eye about relationships, about the desires that pull us together and the betrayals that push us apart. About jealousy, obsession, loneliness and regret, the byproducts of loving someone that keep us awake at night. The characters in these stories

share meals drink wine buy furniture and art They live domestic lives so often wanting to love someone yet ending up alone In one story a woman s fianc leaves her when she goes to post some mail In another story a man can t move past an affair his wife almost had Another story describes a series of drawings to detail a couple s end But while loss and heartache pervade these stories there is also occasional hope For as the title story shows us sometimes a breakup isn t an end at all but the beginning of your life

Every Mother Has a Story: Volume Two Frances Lefkowitz,2014-09-14 Every mother and every daughter has a story and four of the best appear in the second volume of this Shebooks Good Housekeeping collaboration Heartwrenching and heartwarming these top picks trace the twisting contradictions in the relationships between four very different sets of mothers and daughters In Yo yo Mama Laura Hurwitz describes the summer her mom introduced her to dieting and the unintended consequences her new body sparked In Happy Mommy Pills Kathleen Founds tells what happens when the worst doesn t happen to her young pregnant self Deborah Batterman s Diamonds and Manicures considers the crossroads between femininity and feminism and realizes that pampering herself does not mean giving up her principles And in The 25 000 Pyramid Mashaw McGuinnis takes us on a rollicking ride in her almost unbelievable tale of sneaking out of the house to audition for a TV game show and transforming bitterness into a date with Betty White True lives deep emotions compelling stories we all can relate to

What Counts as Love Marian Crotty,2017-10-15 In these nine stories Marian Crotty inhabits the lives of people searching for human connection Her characters most often young women are honest troubled and filled with longing In the title story a young woman begins a job on a construction site after leaving an abusive marriage In Crazy for You two girls spy on a neighbor s sex life while their own sexuality hovers in the distance In A Real Marriage a college student marries a boyfriend to help him stay in the United States In The Fourth Fattest Girl at Cutting Horse Ranch the daily life of a residential treatment center for eating disorders is disrupted by the arrival of a celebrity The stories are set in Arizona North Carolina Pennsylvania Maryland and the Persian Gulf and often touch on themes of addiction class sexuality and gender What Counts as Love is a poignant often funny collection that asks us to take it and its characters seriously

November Storm Robert Oldshue,2016-10-01 In each of the stories in Robert Oldshue s debut collection the characters want to be decent but find that hard to define In the first story an elderly couple is told that delivery of their Thanksgiving dinner has been canceled due to an impending blizzard Unwilling to have guests but nothing to serve them they make a run to the grocery hoping to get there and back before the snow but crash their car into the last of their neighbors In The Receiving Line a male prostitute tricks a closeted suburban schoolteacher only to learn that the trick is on him In The Woman On The Road a twelve year old girl negotiates the competing demands of her faith and her family as she is bat mitzvahed in the feminist ferment of the 1980s The lessons she learns are the lessons learned by a ten year old boy in Fergus B Fergus after which in Summer Friend two women and one man renegotiate their sixty year intimacy when sadly but inevitably one of them gets ill The Home Of The Holy Assumption offers a benediction A quadriplegic goes missing at a

nursing home Was she assumed In the process of finding out all are reminded that caring for others however imperfectly even laughably is the only shot at assumption we have In upstate New York a November storm is one that comes early in the season If it catches people off guard it can change them in the ways Oldshue s characters are changed by different but equally surprising storms **Night in Erg Chebbi and Other Stories** Edward Hamlin,2015-10-01 Night in Erg Chebbi and Other Stories spans the globe taking us from Belfast to Brazil Morocco to Manhattan The teenaged daughter of an IRA assassin flees Northern Ireland only to end up in Baby Doc s terrifying Haiti An American woman who s betrayed her brother only to lose him to a Taliban bullet comes face to face with her demons during a vacation in Morocco A famed photojournalist must find a way to bring her life s work to closure before she goes blind a quest that changes her understanding of the very physics of light By turns innocent and canny the characters of Night in Erg Chebbi and Other Stories must learn to improvise quickly when confronted with stark choices they never dreamed they d have to make Lyrical immaculately constructed and deeply felt these nine stories take us far beyond our comfort zones and deep into the wilds of the human heart Of This New World Allegra Hyde,2016-10-01 Of This New World offers a menagerie of utopias real imagined and lost Starting with the Garden of Eden and ending in a Mars colony the stories wrestle with conflicts of idealism and practicality communal ambition and individual kink Stories jump between genres from historical fiction to science fiction realism to fabulism but all ask that fundamental human question is paradise really so impossible Over the course of twelve stories Hyde writes with a mix of lyricism humor and masterful detail A group of environmental missionaries seeks to start an ideal eco society on an island in The Bahamas only to unwittingly tyrannize the local inhabitants The neglected daughter of a floundering hippie commune must adjust to conventional life with her un groovy grandmother Haunted by her years at a collegiate idyll a young woman eulogizes a friendship After indenturing his only son to the Shakers an antebellum vegan turns to Louisa May Alcott s famous family for help And in the final story a former drug addict chases a second chance at life in a government sponsored space population program An unmissable debut the collection charts the worlds born in our dreams and bred in hope
