Experimenting with form, one story is told as a term paper, another as an annotated bibliography. King, 2019-07-01 The stories within the pages take time forward and out of my early years. This completes those years and moves it forward past the first sixty. The chapters tell of the trials that I faced as the years passed by. It also tells of the largest change in life that I will face in my later years. Over half of the chapters cover this change. Others have said that I do not know what they have gone through when the loss of a spouse happens. They are wrong; they do not know what I have gone through unless they read the story within. Life was passing by with my spouse of thirty-seven years. She spent the last few years in an assisted living facility. Follow the last days we lived as a couple and the issues I now face as a single man. I am back on my path walking alone. Life for me takes an unfavorable turn for the worse. Everything changed after the stroke of midnight on New Year's Day. I may never recover from this loss as I look down and see her name etched in stone. **High Noon on Proxima B** David Boop, 2023-02-07 It's always high noon on Proxima Centauri b. Original stories about the final frontier. YOU TELL EM THE SPACE COWPOKES. A COMIN AND HELL IS COMIN WITH EM. Adventure. Danger. Revenge. And a mail-order robot gunslinger in a wedding dress. Only in the wildest parts of space could this happen. It's time again to get in your ramshackle rocket ship and journey to the universe's western territories with this follow-up to *Gunfight on Europa Station*. Meet the employees of a space bordello as they're drawn together to pull a con on a con. Or the crew filming a Western on a colony ship only to fight gravity and each other. Or a soldier on a backwater planet hiding from her past when it and the military finally track her down. Each voyage invokes the type of Western yarns you've loved before but with a science-fiction upgrade you'll get to enjoy anew. Taking you on this ride are another set of astounding space opera authors such as Walter Jon Williams' *Hardwired*, Susan R. Matthews' *Under Jurisdiction*, Dayton Ward and Kevin Dilmore's *Star Trek: Brenda Cooper Project Earth*, Milton Davis' *Changa's Safari*, John E. Stith's *Naught for Hire*, and Peter J. Wacks' *Caller of Lightning*. Ten tales of the West, not as it was but as it might be. At the publisher's request, this title is sold without DRM (Digital Rights Management). About *Straight Outta Dodge City*: By tossing weird fiction concepts into western settings, these
