

Exam 2 Study Guide

You should be sure to be familiar with the following concepts from our discussions. It will be important that you truly understand the concepts, rather than simply memorizing their definitions. Can you recognize examples, give examples, compare and contrast the similarities or differences between concepts, explain the behavioral outcomes that would result from the concept? Use this study guide together with the Review Questions and Practice Quizzes at the end of each chapter in your text, and with the Query questions that are presented throughout each chapter.
