Windows For The Crown Prince Akihito Of Japan

Sterling Seagrave, Peggy Seagrave

Windows For The Crown Prince Akihito Of Japan:

Windows for the Crown Prince Elizabeth Gray Vining, 1989
Vining, 1952 The record of the author's four years at the Imperial Court where she helped to teach and guide the young Prince from a chubby child to a poised attractive youth with a high sense of responsibility

The Emperors of Modern Japan Ben-Ami Shillony, 2008 The book offers a fascinating picture of the four emperors of modern Japan their institution their personalities and their impact on the history of their country Leading scholars from Japan and other countries have contributed essays which treat this subject from various angles

The Japanese Through American Eyes Sheila K. Johnson, 1991 Largely based on the information conveyed by bestselling novels magazines cartoons movies and television shows this is an illuminating look at American attitudes and stereotypes about Japan since World War II The book is illustrated with one photograph and sixteen cartoons

Emperor Hirohito and Showa Japan Stephen Large, 2013-01-11
Emperor Hirohito reigned for more than sixty years yet we know little about him or the part he really played in the turbulent history of Showa Japan Stephen Large draws on a wide range of Japanese and Western sources in his study of Emperor Hirohito's political role in Showa Japan 1926-89 This analysis focuses on key events in his career such as the extent to which he bore responsibility for Japanese aggression in the Pacific in 1941 and explains why Hirohito remains such a contested symbol in Japanese post war politics

Friendly Connections Tetsuko Toda, Linda H. Chance, Paul B. Reagan, 2024-01-08
Friendly Connections Philadelphia Quakers and Japan since the Late Nineteenth Century discloses the history of relations among members of the Religious Society of Friends or Quakers of Philadelphia and Japanese intellectuals educators and activists In this book Japanese and North American experts demonstrate that education women's rights interracial equality politics disaster relief reform and peace efforts have all benefited Seventeen chapters detail this underappreciated history Throughout the modern era these ties often between women have transformed efforts for peace equality and women's rights in Japan and the United States With a focus on women's work for women and revelations about supportive British Quakers this book uncovers networks that sustained Japan America ties for a century and a half

Persona Naoki Inose, 2013-01-01
Traces the life of the Japanese author who went from sickly youth to dedicated student of the martial arts looking at his family life the wartime years and his career as a writer who advocated for traditional values

America's Geisha Ally Naoko Shibusawa, 2010-01-01 During World War II Japan was vilified by America as our hated enemy in the East Though we distinguished good Germans from the Nazis we condemned all Japanese indiscriminately as fanatics and savages As the Cold War heated up however the U S government decided to make Japan its bulwark against communism in Asia But how was the American public made to accept an alliance with Japan so soon after the Japs had been demonized as subhuman bucktoothed apes with Coke bottle glasses In this revelatory work Naoko Shibusawa charts the remarkable reversal from hated enemy to valuable ally that occurred in the two decades after the war While General MacArthur's Occupation Forces pursued our

nation's strategic goals in Japan liberal American politicians, journalists, and filmmakers pursued an equally essential though long unrecognized goal: the dissemination of a new and palatable image of the Japanese among the American public. With extensive research from Occupation memoirs to military records, from court documents to Hollywood films, and from charity initiatives to newspaper and magazine articles, Shibusawa demonstrates how the evil enemy was rendered as a feminized, submissive nation as an immature youth that needed America's benevolent hand to guide it toward democracy. Interestingly, Shibusawa reveals how this obsession with race, gender, and maturity reflected America's own anxieties about race relations and equity between the sexes in the postwar world. America's *Geisha Ally* is an exploration of how belligerents reconcile themselves in the wake of war but also offers insight into how a new superpower adjusts to its role as the world's preeminent force.

Terasaki Hidenari, Pearl Harbor, and Occupied Japan Roger B. Jeans, 2009-01-01 This book sheds light on Japanese intelligence and propaganda activities in the United States prior to Pearl Harbor. Japanese attempts to use American isolationists and pacifists in 1941 and Japanese and American efforts to save Emperor Hirohito from being tried as a war criminal during the U.S. occupation of Japan. It utilizes the American cracking of the Japanese diplomatic code, FBI surveillance and wiretapping records, and the personal papers of Americans with whom Terasaki Hidenari had contact to conclude that he wanted peace between the United States and Japan in 1941 and worked to preserve the imperial institution following the war.

[Windows for the Crown Prince](#) Elizabeth G. Vining, 1952 The author tells of her four years as a tutor to the young crown prince Akihito.

The People's Emperor Kenneth J. Ruoff, 2020-03-23 Few institutions are as well suited as the monarchy to provide a window on postwar Japan. The monarchy, which is also a family, has been significant both as a political and as a cultural institution. This comprehensive study analyzes numerous issues, including the role of individual emperors in shaping the institution, the manner in which the emperor's constitutional position as symbol has been interpreted, the emperor's intersection with politics through ministerial briefings, memories of Hirohito's wartime role, nationalistic movements in support of Foundation Day, and the reign name system and the remaking of the once sacrosanct throne into a monarchy of the masses embedded in the postwar culture of democracy. The author stresses the monarchy's postwariness rather than its traditionality.

The Yamato Dynasty Sterling Seagrave, Peggy Seagrave, 2001-08-14 In *The Yamato Dynasty*, Sterling Seagrave, who divulged the secrets of Mao Tse-tung and the ruthlessness of Chiang Kai-shek in the New York Times bestseller *The Soong Dynasty*, and his wife and longtime collaborator Peggy present the controversial, never before told history of the world's longest reigning dynasty, the Japanese imperial family, from its nineteenth-century origins through today. In the first collective biography of both the men and women of the Yamato Dynasty, the Seagraves take a controversial, comprehensive look at a family history that crosses two world wars: the bombing of Hiroshima and Nagasaki, the American occupation of Japan, and Japan's subsequent phoenix-like rise from the ashes of the Second World War. *The Yamato Dynasty* tells the story of the powerful men who have stood behind the screen, the shoguns and financiers controlling the throne from

the shadows taking readers behind the walls of privilege and tradition and revealing in uncompromising detail the true nature of a dynasty shrouded in myth and legend

The War Against Japan, 1941-1945 John J. Sbrega, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru Japan

Milton W. Meyer, 2012-08-09 The emergence of Japan as a political and economic global power has been one of the most remarkable success stories of modern history Though small in geographic area the archipelago is the tenth most populous country with 128 million inhabitants crowded into an area the size of Montana Its natural resources are almost nonexistent yet today it ranks only second after the much larger United States as the most affluent and economically productive nation in the world Its rich cultural heritage and high tech society are equally vibrant For all readers wanting to better understand this dynamic country this popular and accessible introduction offers an authoritative yet concise overview of two thousand years of Japanese history Now fully updated to the present this edition also includes an array of photographs and illustrations The first half of the book explores the pre Meiji era up to 1868 The second half traces domestic changes and relevant foreign issues in the modernizing era launched by the Meiji Restoration Highlighting key historical events Milton W Meyer also includes cultural artistic and religious milestones Summaries and datelines at the end of each chapter as well as a glossary offer additional essential reference points With its clear explanations of Japanese traditions religion history economics politics and relations with the West this book provides an invaluable guide for understanding contemporary Japan

The Chrysanthemum Throne Peter Martin, 1997-09-01 In this first general study of the Japanese imperial institution throughout its history Peter Martin brings together inaccessible material much of it available only in Japanese He surveys the history and political and religious status of the monarchy of Japan from its mythological origins to our own times

The 20th Century A-GI Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Japan Patrick Smith, 2011-03-30 The Japanese are in

the process of re creating themselves an endeavor they have undertaken at intervals throughout history always prompted by a combination of domestic and global forces In this landmark book Patrick Smith asserts that a variety of forces the achievement of material affluence the Cold War s end and the death of Emperor Hirohito are now spurring Japan once again toward a fundamental redefinition of itself As Smith argues this requires of the West an equally thorough reevaluation of the picture we have held of Japan over the past half century He reveals how economic overdevelopment conceals profound political social and psychological under development And by refocusing on internal history and the Japanese character Smith offers a new framework for understanding Japan and the Japanese as they really are The Japanese he says are now seeking to alter the very thing we believe distinguishes them the relationship between the individual and society Timely measured and authoritative this book illuminates a new Japan a nation preparing to drop the mask it holds up to the West and to steer a course of its own in the world Jacket image The Great Wave of Kanagawa from 36 Views of Mount Fuji detail by Katsushika Hokusai Private collection

American Women During World War II Doris Weatherford, 2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library

Masterplots II. Frank Northen Magill, 1993

Ben-Ami Shillony - Collected Writings Ben-Ami Shillony, 2013-06-17 This volume of the Collected Writings of Modern Western Scholars on Japan brings together the work of Ben Ami Shillony on modern history crisis and culture Japan and the Jews
