Wings On The Mountain Colorado Trilogy Two Volume :

Wings on the Mountain L. Corzine, 2015-12-12 *Wings on the Mountain* is a post Civil War inspirational adventure that tracks the lives of two young widows who find themselves alone and desperate in the harsh and rugged Colorado Rockies Copper Delaney's life as an orphaned bondservant had always been one of hardship and abuse However just when things seem to be improving she's forced to escape into the mountains and search for stolen plunder Knowing all the while that she must find it before the ghost like outlaw Dirk Culley finds her Instead of freedom and independence the young redhead ends up frightened starving and hopelessly lost Mariah Kent's life as the heir to the great Candlestick Ranch of Texas was one of privilege However her parents quickly disown her when she marries the wrong man A year later she finds herself living in a tiny mountain shack on a ranch that her abusive husband refuses to work The pale blonde beauty who once dined with dignitaries must now dig through the town garbage for food and sleep in the livery to stay warm Hungry cold alone and friendless she must find a way to survive in the harshest of all places The year is 1865 a time when even the strongest and most courageous of women lived at the mercy of the men around them Will the rough and hardy mountain men who find these two vulnerable women be men of mercy and honor Or will they be the kind of men who have no mercy **St. James**

Guide to Science Fiction Writers Jay P. Pederson, 1996 Concise discussions of the lives and principal works of prominent science fiction authors written by subject experts **The Cambridge Guide to Literature in English** Dominic

Head, 2006-01-26 This illustrated and fully updated Third Edition of *The Cambridge Guide to Literature in English* is the most authoritative and international survey of world literature in English available The Guide covers everything from Old English to contemporary writing from all over the English speaking world There are entries on writers from Britain and Ireland the USA Canada India Africa South Africa New Zealand the South Pacific and Australia as well as on many important poems novels literary journals and plays This new edition has been brought completely up to date with more than 280 new author entries most of them for living authors The general reader will find it fascinating to browse and to discover many new writers and works while students will find it an invaluable resource for daily use This is a unique work of reference for the twenty first century that no reader or library should be without **The Index ...** Benjamin Franklin Underwood, 1881 *The*
