REPORTING *the* GREATEST GENERATION

By BARRETT MCGURN

Yank The Army Weekly Reporting The Greatest Generation

Erin Lee Mock

Yank The Army Weekly Reporting The Greatest Generation:

Yank, the Army Weekly Barrett McGurn, 2004 The extraordinary story of the world's first global periodical and history's most successful U.S. Army publication *Yank Magazine* provided an irreverent and honest account of the sharing suffering and frustrations of GIs during World War II Includes cartoons and graphics from the original publications *The Wounded Generation* David Nasaw, 2025-10-14 From award winning and bestselling author David Nasaw a brilliant re-examination of post World War II America that looks beyond the victory parades and into the veterans and nation's unhealed traumas In its duration geographical reach and ferocity World War II was unprecedented and the effects on those who fought it and their loved ones at home immeasurable The heroism of the men and women who won the war may be well documented but we know too little about the pain and hardships the veterans endured upon their return home As historian David Nasaw makes evident in his masterful recontextualization of these years the veterans who came home to America were not the same people as those who had left for war and the nation to which they returned was not the one they had left behind Contrary to the prevailing narratives of triumph here are the largely unacknowledged realities the veterans and the nation faced that radically reshaped our understanding of this era as a bridge to today *The Wounded Generation* tells the indelible stories of the veterans and their loved ones as they confronted the aftershocks of World War II Veterans suffering from recurring nightmares uncontrollable rages and social isolation were treated by doctors who had little understanding of PTSD They were told that they were suffering from nothing more than battle fatigue and that time would cure it When their symptoms persisted they were given electro shock treatments and lobotomies while the true cause of their distress would remain undiagnosed for decades to come Women who had begun working outside the home were pressured to revert to their prewar status as housewives dependent on their husbands Returning veterans and their families were forced to double up with their parents or squeeze into overcrowded substandard shelters as the country wrestled with a housing crisis Divorce rates doubled Alcoholism was rampant Racial tensions heightened as White southerners resorted to violence to sustain the racial status quo To ease the veterans readjustment to civilian life Congress passed the GI Bill but Black veterans were disproportionately denied their benefits and the consequences of this discrimination would endure long after the war was won In this richly textured examination Nasaw presents a complicated portrait of those who brought the war home with them among whom were the period's most influential political and cultural leaders including John F. Kennedy Robert Dole and Henry Kissinger J.D. Salinger and Kurt Vonnegut Harry Belafonte and Jimmy Stewart Drawing from veterans' memoirs oral histories and government documents Nasaw illuminates a hidden chapter of American history one of trauma resilience and a country in transition **Military Review**, 2005 *Patton's War* Kevin M. Hymel, 2021-11-01 George S. Patton Jr. lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton's War An American General's Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of

Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton s WWII story

Myth and the Greatest Generation Kenneth Rose,2013-05-13 Myth and the Greatest Generation calls into question the glowing paradigm of the World War II generation set up by such books as The Greatest Generation by Tom Brokaw Including analysis of news reports memoirs novels films and other cultural artefacts Ken Rose shows the war was much more disruptive to the lives of Americans in the military and on the home front during World War II than is generally acknowledged Issues of racial labor unrest juvenile delinquency and marital infidelity were rampant and the black market flourished This book delves into both personal and national issues calling into questions the dominant view of World War II as The Good War

Changed Men Erin Lee Mock,2024-06-28 Postwar culture and anxiety over the reintegration of veterans into American society Millions of GIs returned from overseas in 1945 A generation of men who had left their families and had learned to kill and to quickly dispatch sexual urges were rapidly reintegrated into civilian life told to put the war behind them with cheer and confidence Many veterans struggled openly or privately with this transition Others in society wondered what the war had wrought in them As Erin Lee Mock shows in this insightful book the explosive potential of men became a central concern of postwar American culture This wariness of veterans settled into a generalized anxiety over men s inherent violence and hypersexuality which increasingly came to define masculinity *Changed Men* engages with studies of film media literature and gender and sexuality to advance a new perspective on the artistic and cultural output of and about the Greatest Generation arguing that depictions of men s violent and erotic potential emerged differently in different forms and genres but nonetheless permeated American culture in these years Viewing this homecoming through the lenses of war and trauma classical Hollywood pulp fiction periodical culture and early television Mock shows this history in a provocative new light

[Encyclopedia of War and American Society](#) Peter Karsten,2006 Publisher description

A Companion to American Military History James C. Bradford,2009-11-03 With more than 60 essays A Companion to American MilitaryHistory presents a comprehensive analysis of the historiographyof United States military history from the colonial era to thepresent Covers the entire spectrum of US history from the Indian andimperial conflicts of the seventeenth century to the battles inAfghanistan and Iraq Features an unprecedented breadth of coverage from eminentmilitary historians and emerging scholars including little studiedtopics such as the military and music military ethics care of thedead and sports Surveys and evaluates the best scholarship on every importantera and topic Summarizes current debates and identifies areas whereconflicting interpretations are in need of further study

Invasion On Stephen M Rusiecki,2023-09-15 In *Invasion On* Stephen M Rusiecki describes the process of how and why Americans developed a

standing narrative of the World War II operation known as D Day based upon a common press enabled thematically framed narrative This story of June 6 1944 is the one which has endured for more than seven decades How did this early single narrative of the D Day landings hastily though deliberately constructed in real time by America s radio networks and newspapers come together on 6 June 1944 to become the story of that event in the years and decades after World War II This version is what has dominated the imaginations and consciousness of Americans ever since Ultimately Invasion On explains how America s collective understanding of D Day essentially the American D Day story was born The book explores in detail the mechanics of precisely how radio broadcasts and newspapers in the 24 hour period surrounding 6 June 1944 gathered and then communicated facts images impressions attitudes and meaning that formed for all Americans nearly simultaneously a common narrative organized around four thematic themes These four themes the significance and grand scale of the operation the sacralization of the event the gifted and talented nature of the Allied senior leaders and the purity and valor of the average American soldier would remain fixed in the American consciousness for decades to come in any discussion of June 6 1944 By addressing the news making process during D Day Invasion On further explores what information was available to the press how the press assigned meaning to or perceived that information and what information remained unavailable to the press on 6 June 1944 due to censorship or procedural breakdowns caused by the friction of war In the end this book is about the process by which the print and broadcast media constructed a very specific storyline of D Day in the moment a narrative that granted D Day a unique and war defining status in the minds of the American public or the sort enjoyed by few events in American military history

Comics and Conflict Cord A Scott, 2014-09-15 Illustration has been an integral part of human history Particularly before the advent of media such as photography film television and now the Internet illustrations in all their variety had been the primary visual way to convey history The comic book which emerged in its modern form in the 1930s was another form of visual entertainment that gave readers especially children a form of escape As World War II began however comic books became a part of propaganda as well providing information and education for both children and adults This book looks at how specific comic books of the war genre have been used to display patriotism adventure through war stories and eventually to tell of the horrors of combat from World War II through the current conflicts in Iraq and Afghanistan in the first decade of the twenty first century This book also examines how war and patriotically themed comics evolved from soldier drawn reflections of society eventually developing along with the broader comic book medium into a mirror of American society during times of conflict These comic books generally reflected patriotic fervor but sometimes they advanced a specific cause As war comic books evolved along with American society many also served as a form of protest against United States foreign and military policy During the country s most recent wars however patriotism has made a comeback at the same time that the grim realities of combat are depicted more realistically than ever before The focus of the book is not only on the development of the comic book medium but also as a bell weather of society at the same

time How did they approach the news of the war Were people in favor or against the fighting Did the writers of comics promote a perception of combat or did they try to convey the horrors of war All of these questions were important to the research and serve as a focal point for what has been researched only in limited form previously The conclusions of the book show that comic books are more than mere forms of entertainment Comic books were also a way of political protest against war or what the writers felt were wider examples of governmental abuse In the post 9 11 era the comic books have returned to their propagandistic patriotic roots

Logistics Matters and the U.S. Army in Occupied Germany, 1945-1949 Lee Kruger, 2016-11-23 This book examines the U S Army s presence in Germany after the Nazi regime s capitulation in May 1945 This presence required the pursuit of two stated missions to secure German borders and to establish an occupation government within the assigned U S zone and sector of Berlin Both missions required logistics support a critical aspect often understated in existing scholarship The security mission covered by the combat troops declined between 1945 and 1948 but grew again with the Berlin Blockade Airlift in 1948 and then again with the Korean crisis in 1950 The logistics mission grew exponentially to support this security mission as the U S Army was the only U S Government agency possessing the ability and resources to initially support the occupation mission in Germany The build up of Little Americas during the occupation years stood forward deployed U S military forces in Europe in good stead over the ensuing decades

The War of Words Molly Guptill Manning, 2023-09-26 From New York Times bestselling author Molly Guptill Manning comes The War of Words the captivating story of how American troops in World War II wielded pens to tell their own stories as they made history At a time when civilian periodicals faced strict censorship US Army Chief of Staff George Marshall won the support of President Franklin Delano Roosevelt to create an expansive troop newspaper program Both Marshall and FDR recognized that there was a second struggle taking place outside the battlefields of World War II the war of words While Hitler inundated the globe with propaganda morale across the US Army dwindled As the Axis blurred the lines between truth and fiction the best defense was for American troops to bring the truth into focus by writing it down and disseminating it themselves By war s end over 4 600 unique GI publications had been printed around the world In newsprint troops made sense of their hardships losses and reasons for fighting These newspapers by and for the troops became the heart and soul of a unit From Normandy to the shores of Japan American soldiers exercised a level of free speech the military had never known nor would again It was an extraordinary chapter in American democracy and military history In the war for four freedoms it was remarkably fitting that troops fought not only with guns but with their pens This stunning volume includes fourteen pages of photographs and illustrations

Chicago Católico Deborah E. Kanter, 2020-02-10 Today over one hundred Chicago area Catholic churches offer Spanish language mass to congregants How did the city s Mexican population contained in just two parishes prior to 1960 come to reshape dozens of parishes and neighborhoods Deborah E Kanter tells the story of neighborhood change and rebirth in Chicago s Mexican American communities She unveils a vibrant history of Mexican American and Mexican

immigrant relations as remembered by laity and clergy schoolchildren and their female religious teachers parish athletes and coaches European American neighbors and from the immigrant women who organized as guadalupanas and their husbands who took part in the Holy Name Society Kanter shows how the newly arrived mixed memories of home into learning the ways of Chicago to create new identities In an ever evolving city Mexican immigrants and Mexican Americans fierce devotion to their churches transformed neighborhoods such as Pilsen The first ever study of Mexican descent Catholicism in the city Chicago Cat lico illuminates a previously unexplored facet of the urban past and provides present day lessons for American communities undergoing ethnic integration and succession The Book at War Andrew Pettegree,2023-12-05 A magisterial Sunday Times history of how books were used in war across the twentieth century both as weapons and as agents for peace We tend not to talk about books and war in the same breath one ranks among humanity s greatest inventions the other among its most terrible But as esteemed literary historian Andrew Pettegree demonstrates the two are deeply intertwined The Book at War explores the various roles that books have played in conflicts throughout the globe Winston Churchill used a travel guide to plan the invasion of Norway lonely families turned to libraries while their loved ones were fighting in the trenches and during the Cold War both sides used books to spread their visions of how the world should be run As solace or instruction manual as critique or propaganda books have shaped modern military history for both good and ill With precise historical analysis and sparkling prose The Book at War accounts for the power and the ambivalence of words at war *The Writers Directory 2008* Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography **Encyclopedia of War & American Society** Peter Karsten,2006 Publisher description **Competing Voices from the Pacific War** Sean Brawley,Chris Dixon,Beatrice Trefalt,2009-07-23 Key decisions and events of the Pacific War are explored in this work by juxtaposing Allied and Japanese accounts giving voice to both sides in this epic confrontation Competing Voices from the Pacific War Fighting Words covers the period from July 1937 to September 1945 touching briefly on the post war Allied occupation of Japan Although it emphasizes American and Japanese accounts it also includes perspectives from other nations Materials covering political and strategic issues the experiences of combatants and prisoners of war the experiences of civilians caught up in the various war zones and the impact of the war on the various home fronts are also included By including a range of primary sources representing the experiences and views of participants and commentators of all sides and setting them in their historical contexts this unique anthology promotes an understanding of the Pacific War the events that led up to it and its legacies Alongside sources that reflect traditional military history material that considers the war from the perspective of the new military history is also included Book Review Index Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular

academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year *A Piece of the Greatest Generation* Harrison C. Scranton, 2024-03-07 Harrison Charles Scranton was a Connecticut native that at age 16 with his family moved to Southern California His interest in flying provided the original motivation for writing this book as described in the first page Read his various exploits during his time in the Service Find out what it was like being in the Army Air Forces in the early days See how changing from the Army Air Forces to it s own branch of service the United States Air Force changed the mission and responsibilities Find out how the average joe used to behave during this time frame Laugh and cry at the many stories that are told about his everyday activities Be with him as he was swept up in the events of December 7 1941 Find out how he managed to get along with his new assignment in the Northeast Air Command with time spent at Thule Greenland Find out what it was like to plan for your retirement and the many hurtles that had to be jumped for that to occur Last but not least be with him at his retirement parade that an Officer in the USAF receives if requested This is a true account of a service man s experience in the Service of his country for 30 years Robert Bob Scranton son of Harrison Charles Scranton American Book Publishing Record ,2003

Yank The Army Weekly Reporting The Greatest Generation Introduction

In the digital age, access to information has become easier than ever before. The ability to download Yank The Army Weekly Reporting The Greatest Generation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Yank The Army Weekly Reporting The Greatest Generation has opened up a world of possibilities. Downloading Yank The Army Weekly Reporting The Greatest Generation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Yank The Army Weekly Reporting The Greatest Generation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Yank The Army Weekly Reporting The Greatest Generation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Yank The Army Weekly Reporting The Greatest Generation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Yank The Army Weekly Reporting The Greatest Generation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Yank The Army Weekly Reporting The Greatest Generation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Yank The Army Weekly Reporting The Greatest Generation Books

1. Where can I buy Yank The Army Weekly Reporting The Greatest Generation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Yank The Army Weekly Reporting The Greatest Generation book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
