Gene Martin III,2015-10-09 Audio App Daily Devotional is the complete Bible We have removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day s portion of Scripture This enables you to reference and study the Scriptures in a more in depth manner Inside you will find an average of twenty three New Testament verses seven Psalms verses three Proverbs verses and fifty five Old Testament verses per day While I never recommend rushing through your time with our Lord I felt it important to make each day s readings and portions as equal as possible allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand Look for and expect to hear from our Lord Look for God to move in your life more and more as you draw closer to Him daily Nectar #31 Lex Hixon,Babaji Bob Kindler,Swami Brahmeshananda,Annapurna

Sarada,Rabbi Rami Shapiro,Father Bruno Barnhart,John Dobson,Swami Aseshananda,2016-01-08 It remains somewhat of a mystery even after all the advantages of contemporary times have been lavishly bestowed upon present day humanity that the ills of pervasive suffering still persist on the world scene Of course we know from the Buddha s declaration of His Four Noble Truths that suffering here on Earth will never go away entirely Still unnecessary suffering a type of misery that has

viable solutions also remains constant despite the fact that humanity has had plenty of time to apply these readily available stopgaps When looking at this perplexing situation the conscious observer cannot but notice often painfully so that narrowness of mind lies at the root of both the problem of suffering itself and its tardy removal In view of all this when one considers ultimate solutions there is nothing that compares with that of Universality Universal religious outlook universal philosophical perspective universal compassion universal service of mankind a more universal mindset even a more universally based business and politics all would be welcome alternatives to the ponderous and ineffective arsenal of methodical weapons that nations and peoples are presently utilizing to try to stem the tide of pervasive human suffering True religion nowadays has become an obvious caricature of itself and philosophy has turned into a job and a career instead of a means for the revelation of truth Even altruistic service after the many attempts it has made towards drying up the ocean of human misery has shown us its limitations and its downside
