How To Do Things With Logic Workbook C. Grant Luckhardt, William Bechtel, Grant Luckhardt, 2014-01-02 In the past 15 years a host of critical thinking books have appeared that teach students to find flaws in the arguments of others by learning to detect a number of informal fallacies This book is not in that tradition The authors of this book believe that while students learn to become vicious critics they still continue to make the very mistakes they criticize in others Thus this book has adopted the approach of teaching the construction of good arguments first and then introducing criticism as a secondary

skill Moreover the emphasis of the book is not on learning to name fallacies but on being able to identify weaknesses in an argument so as to be able to construct an effective critique of that argument The book is accompanied by a workbook featuring a wealth of examples to help students acquire the material How Cancer Cured Me David Gira,2020-08-25

Battling to beat cancer finding a cure and fighting to survive can become all encompassing Like most people when diagnosed with cancer David only wanted physical healing God had bigger plans and used David s cancer experience to heal many areas of brokenness in his life By the time of his first cancer free report two years later his life had been radically transformed In How Cancer Cured Me David Gira seasoned pastor and cancer survivor shares fifteen ways God used his cancer experience with all its challenges to heal his life in addition to ultimately providing physical healing The topics range from becoming more courageous to finding his get up and go David also writes about the ways God used the cancer journey to positively impact his most important relationships With refreshing honesty and humor David tells his cancer story shares inspiring stories of other cancer patients and reflects on relevant Scripture How Cancer Cured Me brings together the author s theological training pastoral experience and his personal narrative Cancer patients will find this a helpful companion Christians will be inspired by his testimony The less religious will appreciate his approachable and authentic voice All will enjoy his candor and humor Conquering and Curing Cancer Charlene Seaman,Scott Seaman,2021-10-07
