His flight is strangely diverted to Philadelphia where he meets a mysterious stranger who knows all about his past and recruits him for a job. Needing a new identity, Smith becomes Michael Recker. He then tries to prevent bad things happening to innocent people while also interacting with the city's different crime factions. Once he returns, he seeks retribution on the men responsible and turns to an unlikely source to help him get his revenge. As he embarks on his plot for revenge, he must not only carefully navigate around Mia's growing feelings for him but also his own feelings for her. While still not forgetting his main goal of helping the innocent, Recker also further cements his relationship with Tyrell by helping him with a family problem. Though he still keeps Mia at a distance, they can't help but become closer as Recker investigates the disappearance of one of her closest friends. As Recker embarks on his deadly rampage, Jones worries about The Silencer's growing reputation amongst the public and government agencies. *Hard Target*: Recker finally reaches his boiling point and confronts Jones about his lack of progress in finding Agent 17. The professor, feeling guilty about not locating him, admits to a secret he's been hiding. As Recker is trying to find Agent 17, Mia launches her own investigation into her friend's death, frustrated that the killer still hasn't been brought to justice. Her lack of experience causes a major mistake, one that may cost the life of both her and Jones. Recker must not only find Agent 17 but save the lives of his friends before it's too late. *Blowback*: After the circumstances of Agent 17's death, the CIA turns to a specialist to help track down the man they think is responsible, John Smith. Though Recker knows Centurion is coming, he doesn't change how he operates and winds up on police surveillance cameras. Feeling the walls closing in, Jones wants to pack up and move to a new city, though Recker has reservations about leaving. It all boils down to a final confrontation between Recker and his former employers, one he may not survive.
