Yanomamö Napoleon A. Chagnon, 1992-01-01 **Yanomamö, the Fierce People** Napoleon A. Chagnon, 1977 Ya nomam culture in its major focus reverses the meanings of good and desirable as phrased in the ideal postulates of the Judaic Christian tradition A high capacity of rage a quick flash point and a willingness to use violence to obtain one's ends are considered desirable traits Much of the behavior of the Ya nomam can be described as brutal cruel treacherous in the value laden terms of our own vocabulary The Ya nomam themselves however as Napoleon Chagnon came to intimately know them in the year and a half he lived with them do not all appear to be mean and treacherous As individuals they seem to be people playing their own cultural game with internal feelings that at times may be quite divergent from the demands placed upon them by their culture This case study furnishes valuable data for phrasing questions about the relationship between the individual and his culture Foreword
