Companion Charles R. Swindoll, 2008-04-01 Who do you say that I am Whether or not you know it this question posed by Jesus is the most important question you'll ever answer But it's not only a question for those who haven't trusted Jesus for salvation it's also one for those who call themselves followers of Christ Many will claim to know the answer but even Peter who answered it correctly didn't fully understand who Jesus was until later And in a culture two millennia removed Jesus' true identity and purpose are often obscure making His question relevant and vital both for non-Christians and Christians alike This Bible Companion is designed to help you answer His question so that you might know Jesus the real Jesus as revealed in the Bible But be warned This book doesn't offer a mere biographical study because He was no mere man Regardless of what you think of Jesus encountering Him in the Bible is a mind-changing and life-altering event So if you're ready to answer Jesus' question truthfully then this Bible Companion will serve as a good guide to His life and teachings And it can help you grow to know Him better than you ever have **The Geography of Hell in the Teaching of Jesus** Kim Papaioannou, 2013-09-19

The topic of hell has held a strange fascination for believers through the centuries becoming the subject of paintings sermons books articles and much more For many it has been a source of terror for most a wellspring of questions Is there such a thing as hell How long will it last Who will go there Is hell fair In this study Kim Papaioannou tackles the topic at its most foundational level in the words and teaching of Jesus Rather than attempt overarching and all-encompassing answers he begins instead with a detailed study of the relevant texts and builds from there upwards The result is a picture that is not only coherent and satisfying but more importantly solidly based on biblical exegesis of the most refined nature Papaioannou concludes by putting hell into a more palatable and biblically sound perspective Though unreservedly scholarly the study is
