Johannes Botterweck, Helmer Ringgren, Heinz-Josef Fabry, 1974 Doing for the Old Testament what Kittel Friedrich does for the New this major multivolume reference work discusses in depth all the key Hebrew and Aramaic words of the Old Testament Stressing meaning each word study moves from narrow everyday senses of words toward more significant theological concepts Spanning the Abyss Angel M. Rodriguez, 2008 **Creation Made Free** Thomas Jay Oord, 2010-01-01 Open Theology offers an advantageous framework for engaging the sciences With its emphasis upon creaturely freedom relationality realist epistemology and love Open Theology makes a fruitful dialogue partner with leading fields and theories in contemporary science In **Creation Made Free** leading proponents of open theism explore natural and social scientific dimensions of reality as these dimensions both inform and are informed by Open Theology Important themes addressed include evolution creation ex nihilo emergence theory biblical cosmology cognitive linguistics quantum theory and forgiveness The Torah in Matthew Francois Viljoen, 2018 Jesus relation to the Torah forms a significant motif in Matthew's Gospel This relation is taken up as an important theme in the Sermon on the Mount with its strong Sinai typology and disputes about the Torah are repeated throughout the Gospel Jesus is depicted as the last and greatest expositor of the Torah When reading this Gospel the central role of the Torah must be seriously considered This present study is furthermore relevant in the light of new insights that have developed in recent years on the diversity and dynamics within the Judaism that confronted Matthew This diversity within Judaism is usually related to Judaist attitudes towards the Torah To complicate this oral traditions were strong and lively Questions arose about the status of the written Scriptures and oral traditions and the authority ascribed to these The Matthean community developed within this turmoil of developing Judaism *Biblical Theology of prayer in the Old Testament* Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology The biblical text has various references to various recorded and reported prayers In fact references to prayer are found within the rich diversity of the various books corpora and genres of Scripture As can be expected much has been written about prayer in the biblical text However a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before and this book intends to fill this gap assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts This book aims to investigate prayer and its related elements including worship praise thanksgiving adoration petition intercession lament and confession in the Old Testament on a book by book or corpus by corpus basis The investigation follows a Biblical Theological approach reading the Old Testament on a book by book basis in its final form to uncover the Old Testament's overarching theology of prayer understanding the parts in relation to the whole By doing this the discrete nuances of the prayers of the different Old

Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives

God the Trinity Malcolm B. Yarnell, 2016-04-15 Is the Trinity biblical Is it necessary to affirm God as three persons in one being Despite a renewed interest in the Trinity in recent years many Christians including most evangelicals either relegate the Son of God to creaturely status or repudiate the personhood of the Holy Spirit In addition numerous scholars affirm that the doctrine of the Trinity is not clearly revealed in Scripture Is the Trinity merely a philosophical construction or is it essential to orthodox Christianity Drawing on hermeneutics and biblical and historical theology Malcolm Yarnell crafts a careful and clear response to these issues through exegesis of pivotal texts from both testaments He meticulously examines the foundational Hebrew confession known as the Shema Matthew's great commission the divine relations in the Gospel of John Paul's Corinthian benediction the opening hymn of Ephesians and the throne room vision of the Apocalypse Also considered are the relationships of language to revelation and history to metaphysics along with recent appeals to recover patristic exegesis and

the Christian imagination He also challenges the reader to discern the implications of the Trinity for personal salvation as well as corporate worship

Burn for Christ Just . . . Don't Burn Out! Chi Eng Yuan, 2019-04-15 At one time or another all ministers ask the questions or face the challenges of losing their passion for ministry This author contends that the major contributor to a loss of passion or interest in ministry in general is burnout This book consists of two major sections In the first major section chapters 2 through 4 are about our vertical relationship with God in terms of our

passion to serve our spirituality our understanding and practice of rest Sabbath and our compatibility In the second major section chapters 5 through 7 are about our horizontal relationship with others in terms of our confidence our management of conflict with others and our approach to the culture around us *A Biblical Theology of Gerassapience* Joel A. A. Ajayi,2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In *A Biblical Theology of Gerassapience* the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise **What's the Truth About Heaven and Hell?** Douglas A.

Reading Genesis in Lent Constantin Oancea,2025-11-17 While much has been written about how the Church Fathers used the Bible there are considerably fewer studies on interpreting Scripture in Byzantine liturgical hymns With its innovative approach from the perspective of a biblical scholar this book aims to shed new light on how the first three chapters of the book of Genesis are interpreted in the hymns of Great Lent Each chapter starts by presenting the verses from Genesis and the hymns that refer to them Hymnographers allusions and references to other Old and New Testament passages are highlighted A short commentary introduces readers to the broader biblical context of the verses and the Church Fathers interpretations This is followed by a comprehensive examination of the hymns text focusing on how their authors interpret the verses of Genesis The hymnographers techniques of biblical interpretation including intertextuality the augmentative interpretation of Scripture and the extensive use of metaphors are also discussed The proportion of quotations references allusions or biblical expressions and images that Lenten hymns contain is impressive Liturgical poetry is a complex elevated and exquisite form of biblical interpretation

Jesus as the Fulfillment of the Temple in the Gospel of John Paul M. Hoskins,2007-02-01 This study examines John s portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1 14 1 51 2 18 22 and 4 20 24 with Jesus replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God s presence glory revelation and abundant provision for his people In particular John 2 18 22 clearly associates Jesus role as the Temple with his death and resurrection According to Isaiah part of God s decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John s language of lifting up and glorification marks Jesus death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple
