21 Days of Transforming Prayer Daniel Henderson, 2021-10-15 It s no wonder so many people are discouraged with prayer Instead of a genuine encounter with God prayer is little more than a grocery list of requests Maybe you too seek God s hand rather than His face How do you truly connect with God through prayer When you experience the profound difference of worship based prayer your faith and life will never be the same We should not be concerned when our prayers are not answered we should be concerned when we are not transformed into the image of Jesus Christ May you read this book and be changed accordingly

Glorious Finish Daniel Henderson, 2020-04-07 What separates pastors who finish well from those who don t When trusted pastors fall into sin and destroy a ministry the entire body of believers gets hurt After helping two large churches through the aftermath of such an event Daniel Henderson discovered that pastoral failings are not primarily rooted in overdeveloped passions for self and sin but rather in underfed visions of eternity and a lack of zeal for God s glory In *Glorious Finish* Daniel Henderson teaches you Why focusing on God s glory is the key to a fruitful ministry How leaders can build habits that keep them captivated by God and His glory How to stay glory oriented in the grind challenges and spiritual attacks of ministry Forget the latest techniques and the strategies spend some time recentering on what you know is most important His glory

The Power of Truth in Perilous Times Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking

about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything
