Understanding the Facts of Life Susan Meredith, Robyn Gee, Sue Meredith, 1985 Examines the physical changes that affect the body during puberty and related issues such as skin care sexual maturity and personal hygiene Then looks at pregnancy and childbirth the care of babies and their development Suggested level intermediate secondary *Women's Sexuality Across the Life Span* Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings *Usborne Facts of Life* Susan Meredith, Robyn Gee, 1997-12-01 When we speak about the spatial locations of objects are we simply saying where they are or are we also pointing to something about their function This study accounts not only for our theoretical comprehension of spatial relations but also our ability to interact competently with the world of spatially related objects It demonstrates how many everyday uses of spatial prepositions can be ambiguous in spatial terms and yet meaningful in terms of an object's function *Young Men Who Have Sexually Abused* Andrew Durham, 2006-06-14 Young men who sexually abuse is a subject of increasing concern amongst professionals This important volume explores the current theoretical and practice issues involved in working therapeutically with young men who have sexually abused Linking theory to practice Andrew Durham provides detailed case studies of young men who have committed varying acts of inappropriate or harmful sexual behaviours and analyses the therapeutic interventions provided for each Key features of this accessible guide include A clear practical framework for assessing whether or not a child's sexual behaviour is a problem Full assessment schedule for determining the risks and needs of young men who have sexually abused Discussion of family assessment and support Guidance for managing difficult foster placements Advice on deciding when a young person is no longer a risk *Young Men Who Have Sexually Abused* identifies the need for therapeutic interventions to be holistic and reach beyond purely offence specific work It will be a valuable resource for practitioners academics and students in social work social care psychology and residential childcare **Facts of Life** Susan Meredith, 1985 *Young Researchers* Margaret Mallett, 2002-02-07 Informational kinds of reading are crucial in every lesson This book looks at how we can encourage children from the very beginning to think of themselves as young researchers using skills and strategies for clear purposes It argues that the creative practitioner nurtures children's sense of wonder and curiosity about the world and all its phenomena Packed full of advice on how to use the most stimulating and exciting texts and the liveliest approaches the book celebrates the good practice of teachers and

student teachers in a large number of classroom case studies The content includes a summary of the recent developments and a framework of principles to inform good practice in this challenging aspect of literacy chapters concentrating on particular age groups beginning with the nursery and ending with the later primary years and thus taking up an essentially developmental approach an assessment of recent research and how findings can be put to practical and creative use in the classroom A central message is that children benefit from collaborating with teachers and peers at every stage of finding out The spoken language energises informational reading and writing making the sharing of the fruits of children s research highly enjoyable This book will inspire you and lead to the very best practice **Young Readers and Their Books** Gervase Phinn,2013-11-26 First Published in 2000 This book offers teachers a useful and very readable text to help them select stories poetry and non fiction material for the primary classroom with ideas on how to teach them Appropriate selection criteria are discussed and suggestions are given about keeping up with a range of available texts There is a comprehensive guide to the whole range of books appropriate for use in the Literacy Hour Part 2 gives practical approaches tried and tested in primary classrooms which reflect the guidance contained in The National Curriculum Programmes of Study for English and The National Literacy Strategy Gervase Phinn has rare gifts as a teacher speaker storyteller and writer all of which skills comes together in the authoring of this book The Home School Source Book Donn Reed,1994 **Ocean Realm** ,1999
