What Works Evidence Based Policy And Practice In Public Services:

What Works? Nutley, Sandra M., Davies, Huw T.O., Peter C. Smith, 2000-07-19 An exploration of how the knowledge gained from research is used to improve the effectiveness of public policy formation and public service delivery It covers eight areas of public service health education criminal justice social policy transport urban policy housing and social care

What Works? Sandra M. Nutley, Peter C. Smith, H. T. O. Davies, 2000 What counts is what works but how can we actually tell what works And what can we do with such knowledge to influence policy and practice As all parts of the public sector embrace evidence as a means of providing more effective and efficient public services this book provides a contribution to such debates The authors consider the role of evidence in specific public policy areas healthcare education criminal justice social care welfare housing transport and urban renewal using experts in each field to explore the creation dissemination and use of evidence within each They consider in particular How is research evidence of service effectiveness created How does such evidence shape policy and influence service delivery What efforts are being made to encourage greater utilisation of evidence in policy and practice The rich cross sectoral accounts of the many and diverse activities in each sector provide an insight into the ebb and flow of evidence as guidance to policy and practice The book develops perceptive analyses of outstanding problems and raises challenging agendas for service development and future research The authors conclude with the all important question of the implementation of evidence based practice **Evidence-based Practice -**

Modernising the Knowledge Base of Social Work? Hans-Uwe Otto, Andreas Polutta, Holger Ziegler, 2009-06-04 The quest to create an evidence based Social Work practice is emerging strongly in different fields of Social Work and social policy In this volume internationally renowned proponents and opponents of this approach deliver profound analyses of the meaning and implications of an evidence based perspective which clearly challenges the nature of the knowledge base of the established Social Work practice and apparently reevaluates and reshapes the character of welfare professionalism Aus dem Inhalt What Knowledge Evidence based Practice Profession and Users Organising Measuring and Implementing Evidence Towards an Evidence based Professionalism **What Works?** Huw T.
