Law and Disorder Mary Jane Maffini,2009-11-01 One of Canada s best loved sleuths returns in her sixth hair raising adventure Victims advocate Camilla

MacPhee is following the trial of Lloyd Brugel a ruthless criminal kingpin charged with a fatal firebombing. She's looking forward to seeing him convicted but when his sleazy counsel is found dead it conveniently delays the proceedings. The lawyer, no saint himself, was drowned and shot. In case that message was too subtle, an old joke featuring dead lawyers shows up. Camilla soon learns the victim was not the only member of the Ottawa legal profession whose death was heralded by a tasteless attempt at humour. Is Brugel reaching from behind the bars of the regional detention centre to manipulate his trial and to exact revenge? Camilla does her stubborn best to head off the killer, hampered by her annoying assistant, the police, her bossy sisters and the arrival of her possible stepdaughters to be for the Dragon Boat Races. *Lowering the Bar* Marc Galanter, 2006-08-08. What do you call 600 lawyers at the bottom of the sea? Marc Galanter calls it an opportunity to investigate the meanings of a rich and time-honored genre of American humor: lawyer jokes. *Lowering the Bar* analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan Quayle, Johnnie Cochran, and Kenneth Starr. Drawing on representations of law and lawyers in the mass media, political discourse, and public opinion surveys, Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the legalization of society. Informative and always entertaining, his book explores the tensions between Americans' deep-seated belief in the law and their ambivalence about lawyers. *The ^AHappy Lawyer* Nancy Levit, Douglas O. Linder, 2010-07-30. This book examines the causes of dissatisfaction among lawyers and then charts possible paths to happier and more fulfilling careers in law. Eschewing a one-size-fits-all approach, it shows how maximizing our chances for achieving happiness depends on understanding our own personality types, values, strengths, and interests. No book can guarantee a happier career, but for lawyers of all ages and stripes, *The Happy Lawyer* may give you your best shot. *The Complete Works* John Bunyan, 1877. *ABA Journal*, 1973-01. The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians, and associate members of the American Bar Association. *Voices from Death Row, Second Edition* Bruce Jackson, Diane Christian, 2022-10-01. *Voices from Death Row* is considered a classic work on the strange living limbo inhabited by condemned men in Texas who await resolution of their sentence in execution, death by other causes, commutation to a term of life sentence, or exoneration. This book offers first-person accounts of life on death row that still holds for condemned men and women today. The accessibility the authors had to Texas Death Row in 1979 to sit in the cells and listen is unimaginable in today's closed prison environment. Today, however, conditions on Texas's Death Row are far more punishing and brutal, and while the number of death sentences has declined, the number of sentences of life without parole has increased hugely. This second edition updates and expands on the original stories that these men told, revealing the names of those men whose stories have ended with either exoneration or death. New photographs enhance the text to give it a full picture of the brutal conditions that these prisoners experienced. **The Last Good Paradise** Tatjana Soli, 2015-02-10. From Tatjana Soli, the bestselling author of *The Lotus Eaters* and *The Forgetting Tree*, comes a black comedy.
