When Lawmakers Enforcers Violate Chinese

Isaac B. Kardon

When Lawmakers Enforcers Violate Chinese:

Chinese Economy in Disequilibrium Yining Li, 2013-11-25 Known internationally as Mr Shareholding economist Li Yining has had a transformative impact on China's economic transition most notably as an early advocate of ownership reform and in his promotion of shareholding theory By examining the interrelationship between the government enterprises and the market Chinese Economy in Disequilibrium presents an in depth discussion on the issues of resource allocation industrial structure institutional innovation and economic fluctuation in the current Chinese economy under the condition of disequilibrium Credited with developing the theory of economic disequilibrium Professor Li distinguishes two types of disequilibrium on the basis of whether or not the majority of firms in the economy are viable profit makers In Chinese Economy in Disequilibrium Professor Li points out that not only has China's economy been in a state of disequilibrium but it also has issues with enterprises not being under budget constraint Given the limitations of market regulation under economic disequilibrium Professor Li advocates the reform of the enterprise system and upholds the government's leading role in the establishment of order in the socialist commodity economy A number of measures are also proposed with the aim of facilitating the transition of China's economy from disequilibrium to equilibrium The central theme is that the reform and transition are means to serve economic growth and social development which would eventually benefit the ordinary citizens in society Yining Li is a Professor of Economics and Emeritus Dean of Peking University's Guanghua School of Management He is one of China's foremost economists and the author of twenty books and numerous articles on a wide range of economic subjects including reform and development in China He has received a number of prestigious awards and honours for his research As the leading proponent of a market economy in China Professor Li has had a tremendous influence on China's economic reform policy over the last three decades He has served on the Standing Committee of the National People's Congress of China and is currently Vice Chairman of the Economic Committee of the Chinese People's Political Consultative Conference

Chinese (Taiwan) Yearbook of International Law and Affairs, Volume 23 (2005), 2020-02-03 The Chinese Taiwan Yearbook of International Law and Affairs commenced publication in 1981 under the auspices of the Chinese Taiwan Society of International Law The Yearbook publishes on multi disciplinary topics with a focus on international and comparative law issues regarding Taiwan Mainland China and the Asia Pacific region The Yearbook is one of the foremost publications in the world concentrating on issues of greater China

Power versus Law in Modern China Qiang Fang, Xiaobing Li, 2017-11-15 Today 700 million Chinese citizens more than fifty four percent of the population live in cities The mass migration of rural populations to urban centers increased rapidly following economic reforms of the 1990s and serious problems such as overcrowding lack of health services and substandard housing have arisen in these areas since China's urban citizens have taken to the courts for redress and fought battles over failed urban renewal projects denial of civil rights corruption and abuse of power In Power versus Law in Modern China Qiang Fang and Xiaobing Li examine four

important legal cases that took place from 1995 to 2013 in the major cities of Wuhan Xuzhou Shanghai and Chongqing In these cases citizens protested demolition of property as well as corruption among city officials developers and landlords but were repeatedly denied protection or compensation from the courts Fang and Li explore how new interest groups comprised of entrepreneurs and Chinese graduates of Western universities have collaborated with the CCP controlled local governments to create new power bases in cities Drawing on newly available official sources private collections and interviews with Chinese administrators judges litigants petitioners and legal experts this interdisciplinary analysis reveals the powerful and privileged will most likely continue to exploit the legal asymmetry that exists between the courts and citizens

Regulating Land and Pollution in China Benjamin van Rooij,2006 Annotation Many of China s rivers and lakes are strongly polluted the air in cities is amongst the worst in the world while some have warned that if the country is not careful it may soon have insufficient arable land to feed its population This book looks at why the protection of natural resources through stricter legislation and more stringent law enforcement has been so difficult It does so through a combination of a local case with comparative and theoretical insights about lawmaking compliance and enforcement It offers a unique view on how law functions in the world s largest legal system and how such law interacts with the social economic and political circumstances at hand This book offers an incomparable body of empirical and theoretical knowledge for those interested in how law functions in China as well as those interested in the workings of regulatory lawmaking compliance and enforcement in a comparative perspective This title can be previewed in Google Books <http://books.google.com/books/vid/ISBN9789087280130>

China's Law of the Sea Isaac B. Kardon,2023-01-01 An in depth examination of the law and geopolitics of China s maritime disputes and their implications for the rules of the international law of the sea China s Law of the Sea is the first comprehensive study of the law and geopolitics of China s maritime disputes It provides a rigorous empirical account of whether and how China is changing the rules of international order specifically the international law of the sea Conflicts over specific rules lie at the heart of the disputes which are about much more than sovereignty over islands and rocks in the South and East China Seas Instead the main contests concern the strategic maritime space associated with those islands To consolidate control over this vital maritime space China s leaders have begun to implement China s law of the sea building domestic legal institutions bureaucratic organizations and a naval and maritime law enforcement apparatus to establish China s preferred maritime rules on the water and in the diplomatic arena Isaac B Kardon examines China s laws and policies to defend exploit study administer surveil and patrol disputed waters He also considers other claimants reactions to these Chinese practices because other states must acquiesce for China s preferences to become international rules China s maritime disputes offer unique insights into the nature and scope of China s challenge to international order

Corporate Reorganisations in China Zinian Zhang,2018-10-11 The first comprehensive empirical study on corporate bankruptcy reorganizations in the second largest economy China investigating the formal corporate restructurings handled by China s

courts between 2007 and 2015 The data and analysis presented in the book provide a unique lens from which China's newly enacted Chapter 11 styled corporate reorganization law both in the books and in practice can be understood and from which the interaction between business and state in dealing with corporate bankruptcies in China could be better comprehended This book benefits from the author's ten year business law practice in China and his insights on China's judicial and political system considerably enrich the arguments In particular this book sheds light on commencement of bankruptcy reorganizations control models corporate reorganization financing value distribution approval of reorganization plans and cross border reorganizations under the China Enterprise Bankruptcy Law of 2006 **Proceedings of the 2022 2nd International Conference on Economic Development and Business Culture (ICEDBC 2022)** Yushi Jiang, Yuriy Shvets, Hrushikesh Mallick, 2023-05-11 This is an open access book With the support of universities and the research of AEIC Academic Exchange Center The 2nd International Conference on Economic Development and Business Culture ICEDBC 2022 will be held in Dali from June 24th to 26th Compared with previous conferences it will discuss more in depth economic independent innovation open cooperation and innovative business culture under the background of the new development stage new situation and new journey era There will be a broad exchange environment Well known experts scholars or entrepreneurs in the field will be invited to make keynote reports Contributing authors are also very welcome to actively participate in the conference and build an academic exchange ceremony *Important Documents on the Government's Mainland Policy* Xing zheng yuan da lu wei yuan hui, 2005 *Authoritarian Legality in China* Mary E. Gallagher, 2017-09-07 This book examines Chinese workers experiences and shows how disenchantment with the legal system drives workers from the courtroom to the streets Important Documents on the Government's Mainland Policy , 2005

Eventually, you will definitely discover a other experience and feat by spending more cash. still when? accomplish you admit that you require to acquire those every needs in the same way as having significantly cash? Why dont you attempt to acquire something basic in the beginning?
