When Mystical Creatures Attack

Jennifer Sears

When Mystical Creatures Attack:

When Mystical Creatures Attack! Kathleen Founds, 2014-10-01 In *When Mystical Creatures Attack* Ms Freedman's high school English class writes essays in which mystical creatures resolve the greatest sociopolitical problems of our time. Students include Janice Gibbs a feral child with excessive eyeliner and an anti-authoritarian complex that would be interesting were it not so ill-informed and Cody Splunk an aspiring writer working on a time machine. Following a nervous breakdown Ms Freedman corresponds with Janice and Cody from an insane asylum run on the capitalist model of cognitive behavioral therapy where inmates practice water aerobics to rebuild their Psychiatric Credit Scores. The lives of Janice, Cody, and Ms Freedman are revealed through in-class essays, letters, therapeutic journal exercises, an advice column, a reality show, television transcript, a diary, and a Methodist women's fundraising cookbook. Recipes include Dark Night of the Soul Food, Render Unto Caesar Salad, and Valley of the Shadow of Death by Chocolate Cake. In *Virtue of the Month* the ghost of Ms Freedman's mother argues that suicide is not a choice. In *The Un Game* Janice's chain-smoking nursing home charge composes a dirty limerick. In *The Hall of Old Testament Miracles* wax figures of Bible characters come to life hungry for Cody's flesh. Set against a South Texas landscape where cicadas hum and the air smells of taco stands and jasmine flowers, these stories range from laugh-out-loud funny to achingly poignant. This surreal, exuberant collection mines the dark recesses of the soul while illuminating the human heart.

Bipolar Bear and the Terrible, Horrible, No Good, Very Bad Health

Insurance Kathleen Founds, 2022-11-01 Theodore is a bear with wild mood swings. When he is up he carves epic poetry into tree trunks. When he is down he paints sad faces on rocks and turtle shells. In search of prescription medications that will bring stability to his life, Theodore finds a job with health insurance benefits. He gets the meds but when he can't pay the psychiatrist's bill, he becomes lost in the Labyrinth of Health Insurance Claims. This witty and colorful tale follows the comical exploits of Theodore, a loveable and relatable bear as he copes with bipolar disorder, navigates the inequities of capitalist society, founds a commune, and becomes an activist, all the while accompanied by a memorable cast of characters: fat cat insurance CEOs, a wrongfully convicted snake, raccoons with Tommy guns, and an unemployed old dog who cannot learn new tricks. Entertaining, whimsical, and biting satirical, *Bipolar Bear* is a fable for grownups that manages the delicate balance of addressing society's ills while simultaneously presenting a hopeful vision for the world.

Love, Dirt Bruce

Johnson, 2025-11-12 From the intimate confines of a Nebraska farmhouse to the bustling streets of South America, the characters of *Love, Dirt* traverse uneasy spaces in search of human connection. A closeted teen on a trip to Chile hides in his parents' bedroom to avoid being caught fooling around with a local boy. An elderly couple attempts to scale a volcano, wrestling with their own physical limitations and an unbearable loss in their past. A father becomes convinced that a daycare has swapped his toddler with a near-identical imposter. The public relations industry of Las Vegas is at first amused and then scandalized by a businesswoman's ability to divine people's birthplaces and childhood experiences just by listening to them.

Slomski, 2014-10-01 Winner of the 2014 Iowa Short Fiction Award Heather A. Slomski's debut story collection takes loss as its primary subject and holds it up to the light In prose spare and daring poised yet startling these stories take shape in reality but reality they sometimes show us is not a separate realm from the fantastic or the surreal Two couples meet for dinner to acknowledge an affair A mannequin recalls a lover and the life she mysteriously lost Two girls observe a young widow's grief

through a café window A man's hat is as discerning as Cinderella's shoe In the fifteen stories that comprise this collection some short as breaths two of them novelettes Slomski writes with a keen eye about relationships About the desires that pull us together and the betrayals that push us apart About jealousy obsession loneliness and regret the byproducts of loving someone that keep us awake at night The characters in these stories share meals drink wine buy furniture and art They live domestic lives so often wanting to love someone yet ending up alone In one story a woman's fiancé leaves her when she goes to post some mail In another story a man can't move past an affair his wife almost had Another story describes a series of drawings to detail a couple's end But while loss and heartache pervade these stories there is also occasional hope For as the title story shows us sometimes a breakup isn't an end at all but the beginning of your life Everything Flirts Sharon Wahl, 2024 At the heart of the stories in *Everything Flirts* are some of life's trickiest questions Why is it so hard to make the first move on a date How do we find the person we will love If you finally find a person to love how do you convince them to love you back With a mixture of humor and reverence Sharon Wahl hijacks classic works of philosophy and turns their focus to love The sublime and the ridiculous come together to playfully examine why love just might be a topic too hard for philosophers to explain *Not a Thing to Comfort You* Emily Wortman-Wunder, 2019-10-15 From a lightning death on an isolated peak to the intrigues of a small town orchestra the glimmering stories in this debut collection explore how nature damaged fierce and unpredictable worms its way into our lives Here moths steal babies a creek seduces a lonely suburban mother and the priorities of a passionate conservationist are thrown into confusion after the death of her son Over and over the natural world reveals itself to be unknowable especially to the people who study it most These tales of scientists nurses and firefighters catalog the loneliness within families betrayals between friends and the recurring song of regret and grief November Storm Robert Oldshue, 2016-10-01 In each of the stories in Robert Oldshue's debut collection the characters want to be decent but find that hard to define In the first story an elderly couple is told that delivery of their Thanksgiving dinner has been canceled due to an impending blizzard Unwilling to have guests but nothing to serve them they make a run to the grocery hoping to get there and back before the snow but crash their car into the last of their neighbors In *The Receiving Line* a male prostitute tricks a closeted suburban schoolteacher only to learn that the trick is on him In *The Woman On The Road* a twelve year old girl negotiates the competing demands of her faith and her family as she is bat mitzvahed in the feminist ferment of the 1980s The lessons she learns are the lessons learned by a ten year old boy in *Fergus B Fergus* after which in *Summer Friend* two women and one man renegotiate their sixty year intimacy when sadly but inevitably one of them gets ill *The Home Of The Holy Assumption* offers a benediction A quadriplegic goes missing at a nursing home Was she assumed In the process of finding out all are reminded that caring for others however imperfectly even laughably is the only shot at assumption we have In upstate New York a November storm is one that comes early in the season If it catches people off guard it can change them in the ways Oldshue's characters are changed by different but equally surprising storms
