Incorporating concepts of Carl Jung, *Spiritual Transformation in the Twelve Steps* is a workbook that provides exercises and an in-depth psycho-spiritual analysis of how each step is designed to be practiced to achieve this spiritual awakening, whether or not you believe in God. It describes a powerful process of personal transformation anyone can use but is particularly oriented to those in addiction and codependency recovery. The Twelve Steps are based upon universal principles which provide an effective model for living. Working the steps not only frees you of addiction but also holds the promise of a personality transformation attested to by thousands of members of Twelve Step programs. Renowned psychiatrist Carl Jung had a major influence on the founder of Alcoholics Anonymous, Bill Wilson. Jung believed that each person has a personal journey of transformation to enable expression of his or her innate potential. Jung felt that this transformation involved replacing the ego with the larger Self as the driving force of one's life and that spirit replacing spirits could cure alcoholism.
