Facing Feelings in Faith Communities William M. Kondrath, 2013-08-05 Facing Feelings in Faith Communities is based on a simple premise We have emotions because we need them God created us as affectively competent beings William Kondrath argues to help us understand our world and to give appropriate signals to people around us about what we are experiencing When we express our feelings clearly other people can more easily respond in ways that are helpful to us thus enhancing our relationships and the work we might do together Kondrath also recognizes that unfortunately for many of us our emotional software was infected early on with viruses early familial and social conditioning that distorted the way we responded to natural stimuli Because we are underusing or misusing our emotional capacities we are missing out on the opportunity to express our full humanity Fortunately we can re program our emotional software Facing Feelings in Faith Communities helps us restore our emotional systems to their original state or at least invites us to imagine how we would live differently if our emotional expressions were more nearly congruent with the situations and events we encounter Kondrath invites us to explore six feelings fear anger sadness peace power and joy through poetry

meditation on an evocative drawing as well as through his own analysis of each feeling

Church Leadership Lovett H. Weems JR.,2010-10-01 Much has changed since the first edition of Lovett Weems s seminal work *Church Leadership* appeared in 1993 In that time a substantial literature about leading the congregation has appeared written from a broad variety of perspectives But in some ways little has changed in that time The need for leadership in the church defined as discovering the faithful future into which God is calling the congregation and walking with the congregation into that future is just as pressing as it ever was And for that reason the need for clear insightful thinking about leadership is just as great as it ever was In this revised edition Weems draws on the best new ideas and research in organizational leadership yet always with his trademark theological grounding foremost in mind Anyone who guides the life of a congregation be they clergy or laity will find *Church Leadership* the indispensable tool with which to follow their calling to be a church leader **Broken and Beautiful** Kristal Chalmers,2017-11-16 The Japanese have an ancient tradition called kintsugi Instead of discarding a beautiful bowl that has been broken they use gold to repair it creating a vessel that is unique and even more valuable than before Kintsugi illustrates the truth that nothing is ever truly broken beyond repair Rather than hiding the brokenness the gold creates something new and cherished *Broken and Beautiful* tells a tale of clergy sexual abuse and the aftermath of pain and suffering it creates but the story doesn t end there The powerful healing touch of God s hand brings beauty from emotional desolation and joy from the depths of sorrow Kristal Chalmers has experienced this first hand and she and her mother Eileen Peters are sharing this story for the first time in the hopes that it will bring healing to others

who are walking this journey alone Broken and Beautiful provides a riveting passionate and inspiring account of the wonder and majesty of God's unfailing grace
