Conversations (Percakapan-Percakapan untuk Bimbingan Rohani) Tony Horsfall, 2021-08-20 Sebagai sumber daya inti bagi siapa saja yang terlibat dalam bimbingan rohani buku ini menyediakan dasar untuk percakapan percakapan dalam konteks mentoring melalui 30 bab singkat yang disusun di sekitar enam topik utama Dasar dasar Langkah langkah Bertumbuh Menghidupi Iman Melangkah Lebih Lanjut Tetap Teguh Hidup dengan Misteri Setiap bab dimulai dengan teks atau ayat Alkitab dilanjutkan dengan ulasan penulis tentang topik terkait pertanyaan pertanyaan untuk memulai diskusi percakapan dan saran saran bacaan lebih lanjut The Power Of Surrender Joshua Rhoades, 2025-06-10 There comes a time in every believer's journey when the soul runs out of strength and the heart runs out of answers The doors we forced open still leave us empty The battles we fought alone leave us bruised The prayers we tried to control go unanswered And it is in that quiet broken place where God whispers Surrender This foreword is not written by someone who has mastered surrender but by someone who has come to treasure it For I have found that the most powerful moments in life are not when we rise in self sufficiency but when we fall on our faces before the Lord and say Thy will be done In a world that exalts self and applauds control surrender sounds foolish But in the kingdom of God surrender is where miracles begin The pages that follow are a sacred invitation They are not filled with formulas for success but with the truth that when we let go God steps in This book does not ask you to be stronger it asks you to be still It does not demand more effort it invites deeper trust And it does not lead you to independence but to intimacy with the Savior who surrendered everything for you As you read may your heart be softened your grip be loosened and your faith be strengthened For the power of surrender is not in what we give up it is in the One we give it to **Where is God when it Hurts: Theoretical considerations** Felix M. Podimattam, 2005

The God of A to Z E. Walsh Ntungwen, 2025-09-18 God's eternal plan surpasses human comfort aiming for the advancement of His kingdom Often He allows trials not out of cruelty but to strengthen faith and build character enabling believers to reach places and people they otherwise wouldn't Trials and testing have always been part of Christianity serving as tools for God's ultimate glory The past years have been personally challenging filled with struggles that affected my life

and family In my search for answers I turned to the unfailing Word of God Though every step seemed to lead in a different direction I held onto my pastor s words When you ve lost all but God you have more than enough to start over As I studied the Bible I realized that every great man and woman in Scripture faced trials and had to trust God to overcome them Difficulties are not unique to me but are part of every believer s journey Jesus Himself affirmed this in John 16:33 saying this world you will have trouble But take heart I have overcome the world I discovered that God often builds strong faith by allowing trials and rather than resenting them we should embrace them as opportunities to grow Trials test faith producing endurance that leads to spiritual maturity As I delved deeper I understood that whether trials come from God or the enemy He can use all things for His glory Consider Paul and Silas despite their pain and imprisonment they trusted in God As a result not only were they delivered but their jailer and his household came to faith The Bible is filled with examples of ordinary people facing extraordinary challenges and witnessing God s power when they trusted Him This realization led to The God of A to Z In this book I will share simple yet profound truths that when applied can transform your life reshape your mindset and help you face future trials with faith and confidence **My Little Visits With God Corrected** Ellen

Landreth, 2016-03-30 This book is a result of years and years of blogging my interaction with God as I worked my way through the pages of the New Testament It gave me a joy unspeakable and full of glory As I wrote I prayed for those who would read my words especially my children grandchildren and future generations **Love Like You've Never Been Hurt** Jentezen Franklin, Cherise Franklin, 2018-03-06 The human heart was created with a great capacity to love But along with that comes a great capacity to feel pain There is no denying that those who love us who are closest to us can wound us the most profoundly That kind of pain can be difficult if not impossible to overcome And it can feel even more impossible to continue loving in the face of it Yet that is exactly what we are called to do Sharing his own story of personal pain pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength courage and motivation to set aside the hurt see others as God sees them and reach out in love Through biblical and modern day stories he discusses different types of relational disappointment and heartache and answers questions such as Why should I trust again and How can I ever really forgive The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope receiving healing and feeling love Here are the tools and inspiration you need to tear down those walls work through your wounds repair damaged relationships and learn to love like you ve never been hurt **Stones from the River of Mercy** Sheila

Walsh, 2008-07-13 This unique spiritual journal offers an in depth look at what God s Word says about His grace and mercy More than just a journal Stones from the River of Mercy offers daily Scriptures and thought provoking questions that will help you reflect on your own experiences of His mercy In addition to providing a place for you to write your own stories the journal shares inspiring anecdotes and gives you space to write prayer requests and answers At the end of this seventeen week journey you will have tangible reminders of God s faithfulness that will encourage you to keep on keeping on in both

good times and tough times Stones from the River of Mercy is a companion book to Stories from the River of Mercy in which author singer and popular speaker Sheila Walsh shares the story of her relationship with her late mother in law a relationship that taught both women much about God s grace and mercy Sheila believes that every woman has similar stories With her book and this journal you will discover those stories and create a memorial to His river of mercy as it flows through your life Living Daily in the Word Calvary Chapel Living Word,2013-11 Be blessed encouraged by this compilation of Biblical devotions written by the ladies of Calvary Chapel Living Word in Irvine California The Green Machine Daisy M. Jenkins,2017-11-15 Gene Ramone Brook Chaplain Brookie ministers to black inmates in the Green Machine the nickname for the privatized for profit prison that relies on a steady stream of black and brown inmates to fill the coffers of its big corporate contractors It s a place where anguish quickly replaces hope Chaplain Brookie s ministry aims to tackle the issues the inmates face and prepare them for life beyond the Green Machine But it s not having the desired impact so he decides to do something radically different He pulls together an unlikely team of inmates to carry out his plan former businessman Mr J who has spent twenty nine years in prison for a crime he didn t commit bright young rapper Chocolate who was in the wrong place at the wrong time and Vanilla who was falsely framed as a drug kingpin by his wealthy classmates Chaplain Brookie faces a major challenge when a fellow chaplain tries to sabotage his plan The complicated intriguing lives of these colorful characters come together in The Green Machine a rare glimpse inside prison walls that illuminates the inmates constant battle against degradation humiliation and dehumanization Combining compassion and a compelling chronicle of prison life author Daisy M Jenkins shines a light on the problems and challenges of mass incarceration and the enormous need for rehabilitation The Green Machine will make you laugh cry and think about life and those living it behind prison walls **Wild Grace** Max Lucado,2012 Today s teens are being shaped by the pressures and disappointments of the world But Max Lucado encourages them to take a close look at what can shape their hearts and their futures from the inside out God s grace As Max explains God s grace has a drenching about it A wildness about it A whitewater riptide turn you upside downness about it Grace comes after you Wild Grace gives teens an understanding of how grace can change their lives in powerful ways even when those lives are messed up off track or in trouble Each chapter describes another miracle that happens when we allow God s grace to work on us and through us Publisher s website The InEvitable Change Anna Mae Faith,2023-09-10 This is a Novel based on true facts It was written because I had no voice during the times I wanted and needed to be heard I prayed and pondered in my mind on how I could let my voice be heard to be a help to my family and my children Friends turned their backs on us and people began to have stares and whispers about my family My son Demetrius Jr was charged and convicted in a murder case that also implicated Demetrius Jr s father Demetrius Sr These novels I have written speak our truth on how we survived troubled times when we had no way but made a way out of no way by the goodness and gracefulness from my LORD and SAVIOR JESUS CHRIST I therly go into details in depth about each one of my children in these novels on how

their lives were turned upside down in the blink of an eye We were thrown out to society to be the most hated family in all the surrounding areas we lived in and lived nearby We survived deaths threats and actions that were brought to our home and reported to the local police department with no action taken on their part I am a mother of 5 children and each one of them was impacted by racism and hate in many ways that was reported with no action taken I wanted to write these novels for my children because I felt as if I couldn't protect them when they needed to be protected These novels speak about how corrupted and disloyal the system is to African American people These Novels are based on what it's like being born black outlining how the black alpha males in my family had a strike against them when they were born into this world as a black male In these readings I detail the differences made when you're a black male and black female born into a society that controls the maintenance of your life When I say maintenance I mean the fact of how you are stereo typed by how you wear your hair how you talk how you walk how you are restricted from wearing certain colors your body language and your eye contact that's displayed while in front of certain white officials The fact that as a black male when your brought up against charges with the law you are automatically guilty and you must prove your innocence When the law clearly states that you are innocent and you must be proven guilty well that sounds good but that's not how it is as a black male or female Racism is live and well in this country we live in called America home of the free
