Power versus Law in Modern China Qiang Fang, Xiaobing Li, 2017-11-15 Today 700 million Chinese citizens more than fifty four percent of the population live in cities The mass migration of rural populations to urban centers increased rapidly following economic reforms of the 1990s and serious problems such as overcrowding lack of health services and substandard housing have arisen in these areas since China's urban citizens have taken to the courts for redress and fought battles over failed urban renewal projects denial of civil rights corruption and abuse of power In Power versus Law in Modern China Qiang Fang and Xiaobing Li examine four

important legal cases that took place from 1995 to 2013 in the major cities of Wuhan Xuzhou Shanghai and Chongqing In these cases citizens protested demolition of property as well as corruption among city officials developers and landlords but were repeatedly denied protection or compensation from the courts Fang and Li explore how new interest groups comprised of entrepreneurs and Chinese graduates of Western universities have collaborated with the CCP controlled local governments to create new power bases in cities Drawing on newly available official sources private collections and interviews with Chinese administrators judges litigants petitioners and legal experts this interdisciplinary analysis reveals the powerful and privileged will most likely continue to exploit the legal asymmetry that exists between the courts and citizens

**Regulating Land and Pollution in China** Benjamin van Rooij, 2006 Annotation Many of China's rivers and lakes are strongly polluted the air in cities is amongst the worst in the world while some have warned that if the country is not careful it may soon have insufficient arable land to feed its population This book looks at why the protection of natural resources through stricter legislation and more stringent law enforcement has been so difficult It does so through a combination of a local case with comparative and theoretical insights about lawmaking compliance and enforcement It offers a unique view on how law functions in the world's largest legal system and how such law interacts with the social economic and political circumstances at hand This book offers an incomparable body of empirical and theoretical knowledge for those interested in how law functions in China as well as those interested in the workings of regulatory lawmaking compliance and enforcement in a comparative perspective This title can be previewed in Google Books <http://books.google.com/books/vid/ISBN9789087280130>

*China's Law of the Sea* Isaac B. Kardon, 2023-01-01 An in depth examination of the law and geopolitics of China's maritime disputes and their implications for the rules of the international law of the sea China's Law of the Sea is the first comprehensive study of the law and geopolitics of China's maritime disputes It provides a rigorous empirical account of whether and how China is changing the rules of international order specifically the international law of the sea Conflicts over specific rules lie at the heart of the disputes which are about much more than sovereignty over islands and rocks in the South and East China Seas Instead the main contests concern the strategic maritime space associated with those islands To consolidate control over this vital maritime space China's leaders have begun to implement China's law of the sea building domestic legal institutions bureaucratic organizations and a naval and maritime law enforcement apparatus to establish China's preferred maritime rules on the water and in the diplomatic arena Isaac B Kardon examines China's laws and policies to defend exploit study administer surveil and patrol disputed waters He also considers other claimants reactions to these Chinese practices because other states must acquiesce for China's preferences to become international rules China's maritime disputes offer unique insights into the nature and scope of China's challenge to international order

**Corporate Reorganisations in China** Zinian Zhang, 2018-10-11 The first comprehensive empirical study on corporate bankruptcy reorganizations in the second largest economy China investigating the formal corporate restructurings handled by China's

courts between 2007 and 2015 The data and analysis presented in the book provide a unique lens from which China's newly enacted Chapter 11 styled corporate reorganization law both in the books and in practice can be understood and from which the interaction between business and state in dealing with corporate bankruptcies in China could be better comprehended This book benefits from the author's ten year business law practice in China and his insights on China's judicial and political system considerably enrich the arguments In particular this book sheds light on commencement of bankruptcy reorganizations control models corporate reorganization financing value distribution approval of reorganization plans and cross border reorganizations under the China Enterprise Bankruptcy Law of 2006      **Proceedings of the 2022 2nd**
