Critical Essays on English and Bengali Detective Fiction Debayan Deb Barman, 2022-02-28 Critical Essays on English and Bengali Detective Fiction brings together three strains of detective fiction British American and Bengal The import of detective fiction from Britain has influenced generations of writers of Bengali detective fiction In this anthology of critical essays by scholars on detective fiction we have divided the contents into three groups First there are essays on classic British detective fiction with essays on Charles Dickens Wilkie Collins Arthur Conan

Doyle Agatha Christie P D James Kate Atkinson and Margery Allingham The second section is on American hard boiled fiction with essays on Dashiell Hammett and Raymond Chandler The third section is on Bengali detective fiction with essays on Hemendra Kumar Roy Saradindu Bandyopadhyay and Satyajit Ray Together these essays bring three strains of detective fiction into conversation to show the gradual postcolonial attempt of Bengali detective fiction to outgrow colonial influences and create an original and organic tradition of regional and vernacular detective fiction *When Will There be Good News?* by Kate Atkinson Georgie Lewis, 2009

Historiography, Empire and the Rule of Law Ian Duncanson, 2011-10-06 Historiography Empire and the Rule of Law considers the intersection of these terms in the historical development of what has come to be known as the rule of law The separation of governmental powers checks and balances and judicial independence signified something entirely new in the way in which politics was imagined and practiced This rule of law cannot as it often is be traced to the justification and practice of government as originating in a social contract among the governed but rather by analogy with a popular conveyancing innovation of the era to the trust a device by which the power of ownership of land could be restrained But how could the restraint of power remain consistent with the avoidance of anarchic disagreement among those granted the task of supervision and restraint In response it is argued here the central legal and political task became one of managing disagreement and change peacefully and constructively by drawing on a colonial tradition that emphasised civility negotiation and compromise And the study of all of these qualities as they evolved Ian Duncanson contends is vital to understanding the emergence of the rule of law Historiography Empire and the Rule of Law will be invaluable for all those engaged in research and the postgraduate study of socio legal and constitutional studies and early modern and modern history
