Where the Wild Things Were Henry Jenkins, 2025-02-25 Explores iconic works from *The Cat in the Hat* to *The Twilight Zone* to explain cultural trends in parenting and how we conceptualize childhood The 60s produced a Baby Boom generation that catalyzed the dawn of a new era the space age the age of television the global age and the beginnings of civil rights At the same time a new paradigm for parenting was unfolding that put emphasis on permissiveness defined by what it permitted the free and unfettered impulses of children Others worried that the wildness of children personified by the characters in Maurice Sendak's 1963 classic children's book *Where the Wild Things Are* was destructive disruptive and disrespectful *Where the Wild Things Were* centers on the exploding contentious national conversation about the nature of childhood and parenting in the postwar US emblemized by Dr Spock's *Baby and Child Care* Renowned scholar Henry Jenkins demonstrates that the language that shaped a growing field of advice literature for parents also informed the period's fictions in film television comics children's books and elsewhere produced for and consumed by children In particular Jenkins demonstrates the era's emblematic child was the boy in the striped shirt white male suburban middle class Christian and above all American Weaving together intellectual histories and popular texts Jenkins shows how boy protagonists became embodiments of permissive child rearing as well as the social ideals and contradictions that permissiveness entailed From *Peanuts* comic strips and TV specials to *The Cat in the Hat* *Dennis the Menace* and *Jonny Quest* the book reveals how childhood and the stories about it became central to Cold War concerns with democracy citizenship globalization the space race science race relations gender and sexuality

Written by a former boy in a striped shirt *Where the Wild Things Were* explores iconic works from Mary Poppins to *Lost in Space* contextualizing them through a critical but respectful engagement with the core animating ideas of the permissive imagination
