

WHERE THE HELL IS TESLA?

A N O V E L

A man in a dark jacket and pants is walking away from the viewer down a long, brightly lit corridor. The corridor has a high ceiling and walls with vertical panels. The floor is highly reflective, showing the man's silhouette and the bright light at the end of the hallway. The light source at the end of the hallway is very bright, creating a strong glow and casting long shadows. The overall atmosphere is mysterious and dramatic.
