Married to Krampus Marina Simcoe, 2023-08-23 My husband has horns hooves fur and a tail His Krampus like appearance didn t scare me away from marrying him Forever an optimist I eagerly agreed to be the first bride shipped under the new liaison program to Voran a country on the newly discovered planet Neron The Colonel also has two little boys a huge plus for me since I adore children My down to earth sister says I live with my head in the clouds And maybe I naively hoped for an out of this world romance What I didn t expect was an out of this world brute The scowling growling rough around the edges Colonel proves hard to live with and impossible to love He s also proud and possessive and is dead set on keeping me as his wife Did I mention he has horns Well he s also horny And our expectations of marriage don t exactly align There is something behind the scowl of this infuriating man though that intrigues me Catching glimpses of his strong fur covered body makes my stomach flutter with excitement I came to Voran hoping to find my place in its culture and in the Colonel s heart Could there be a way to make this thing between us work _____ All
