Yiddish Given Names A Lexicon:

Yiddish Given Names Rella Israly Cohn, 2008-09-05 This volume in onomastics the study of names presents a listing of Yiddish first names from 1750 to the present day Yiddish Given Names A Lexicon collects documents and corrects the available body of research on Yiddish given names It establishes the modern corpus and provides the origins of the names therein Rella Israly Cohn has amassed and preserved a number of names that have become extremely rare almost to the point of extinction and correctly identified their sources using a number of works both commonly available and difficult to find The book begins with an explanation of technical terms and classifications and a description of the evolution of Yiddish names throughout history Following is the lexicon itself comprised of more than 250 names with variant forms and alphabetized according to the English transliteration Each entry relates the Yiddish name to its source language shows a source form and gives the attestations of the name in its various forms in the earliest written works Concluding with several appendices that offer additional information and assist in reference and accessibility this significant work will serve scholars in onomastics linguistics and Yiddish and will be of interest to both scholars and laypersons researching their family history or the cultural legacy of the Jewish community worldwide **BOOK JACKET**

Yiddish Given Names Rella Israly Cohn, 2008-09-05 This important volume in onomastics the study of names presents a listing of Yiddish first names in the modern period 1750 to the present day Yiddish Given Names A Lexicon resumes collects documents and corrects the available body of research on Yiddish given names It aims to establish the modern corpus and give the origins of the names therein Rella Israly Cohn has amassed and preserved a number of names that have become extremely rare almost to the point of disappearing and correctly identified their sources using a number of works both commonly available and difficult to find The book begins with preliminary material that orients the reader explains technical terms and classifications and describes the evolution of Yiddish names throughout their history Following is the lexicon itself which is comprised of over 250 names with variant forms and alphabetized according to the English transliteration Each entry relates the Yiddish name to its source language shows a source form and gives the attestations of the name in its various forms in the earliest written works Concluding with several appendixes that offer additional information and assist in reference and accessibility this significant work will serve scholars in onomastics linguistics and Yiddish and will be of interest to both scholars and laypersons researching their family history or the cultural legacy of the Jewish community worldwide

Yiddish Given Names Rella Israly Cohn, 2008 **Yiddish Given Names** Rella Ann Israly Cohn, 1995 **Yiddish Given Names** Rella Israly Cohn, 2008-09-05 This important volume in onomastics the study of names presents a listing of Yiddish first names in the modern period 1750 to the present day Yiddish Given Names A Lexicon resumes collects documents and corrects the available body of research on Yiddish given names It aims to establish the modern corpus and give the origins of the names therein Rella Israly Cohn has amassed and preserved a number of names that have become extremely rare almost to the

point of disappearing and correctly identified their sources using a number of works both commonly available and difficult to find The book begins with preliminary material that orients the reader explains technical terms and classifications and describes the evolution of Yiddish names throughout their history Following is the lexicon itself which is comprised of over 250 names with variant forms and alphabetized according to the English transliteration Each entry relates the Yiddish name to its source language shows a source form and gives the attestations of the name in its various forms in the earliest written works Concluding with several appendixes that offer additional information and assist in reference and accessibility this significant work will serve scholars in onomastics linguistics and Yiddish and will be of interest to both scholars and laypersons researching their family history or the cultural legacy of the Jewish community worldwide **Jewish Given**

Names and Family Names Robert Singerman, 2001 Presents over 3 000 bibliographic entries on the history and lore of Jewish family names and given names in all parts of the world from Biblical times to the present day This work replaces the compiler's out of print JEWISH AND HEBREW ONOMASTICS A BIBLIOGRAPHY 1977 **Many Pious Women** Harry Fox, Justin Jaron Lewis, 2011-10-27 This work is of importance to anyone with an interest in whether women especially Jewish Ashkenazic women had a Renaissance It details the participation in the Querelle des Femmes and Power of Women topos as expressed in this hagiographic work on the lives of biblical women including the apocryphal Judith The Power of Women topos is discussed in the context of the reception of the Amazon myth in Jewish literature and the domestication of powerful female figures In the Querelle our author pleads with husbands for generosity and respect for their wives piety Whether women living in the Renaissance experienced a renaissance is a debate raging since Joan Kelly raised the possibility that this historic phenomenon essentially did not affect women The question is raised with reference to the women depicted in Many Pious Women These topics find their expression in a richly annotated translation with extensive introductory essays of a unique 16th century manuscript in Western Yiddish Judeo German written in Italy The text will also be useful to scholars of the history of Yiddish and theorists of its development Women everywhere gender and Renaissance scholars Yiddishists and linguists will all welcome this work now available for the very first time in the original text with an English translation

Jews and the Imperial State Eugene M. Avrutin, 2018-07-05 At the end of the eighteenth and beginning of the nineteenth centuries a gradual shift occurred in the ways in which European governments managed their populations In the Russian Empire this transformation in governance meant that Jews could no longer remain a people apart The identification of Jews by passports vital statistics records and censuses was tied to the growth and development of government institutions the creation of elaborate record keeping procedures and the universalistic challenge of documenting populations In Jews and the Imperial State Eugene M Avrutin argues that the challenge of knowing who was Jewish and where Jews were evolved from the everyday administrative concerns of managing territorial movement ethnic diversity and the maze of rights special privileges and temporary exemptions that composed the imperial legal code Drawing on a wealth of previously unexplored

archival materials Avrutin tells the story of how one imperial population the Jews shaped the world in which they lived by negotiating with what were often perceived to be contradictory and highly restrictive laws and institutions Although scholars have long interpreted imperial policies toward Jews in essentially negative terms this groundbreaking book shifts the focus by analyzing what the law made possible Some Jews responded to the system of government by circumventing legal statutes others by bribing converting or resorting to various forms of manipulations and still others by appealing to the state with individual grievances and requests

Origins of Yiddish Dialects Alexander Beider, 2015-10-30 This book traces the origins of modern varieties of Yiddish and presents evidence for the claim that contrary to most accounts Yiddish only developed into a separate language in the 15th century Through a careful analysis of Yiddish phonology morphology orthography and the Yiddish lexicon in all its varieties Alexander Beider shows how what are commonly referred to as Eastern Yiddish and Western Yiddish have different ancestors Specifically he argues that the western branch is based on German dialects spoken in western Germany with some Old French influence while the eastern branch has its origins in German dialects spoken in the modern day Czech Republic with some Old Czech influence The similarities between the two branches today are mainly a result of the close links between the underlying German dialects and of the close contact between speakers Following an introduction to the definition and classification of Yiddish and its dialects chapters in the book investigate the German Hebrew Romance and Slavic components of Yiddish as well as the sound changes that have occurred in the various dialects The book will be of interest to all those working in the areas of Yiddish and Jewish Studies in particular and historical linguistics and history more generally

A Dictionary of Jewish Surnames from the Russian Empire Alexander Beider, 2008

Historical Implications of Jewish Surnames in the Old Kingdom of Romania Alexander Avram, 2021-08-10 Linguistic and semantic features in names and surnames in particular reveal evidence of historical phenomena such as migrations occupational structure and acculturation In this book Alexander Avram assembles and analyzes a corpus of more than 28 000 surnames including phonetic and graphic variants used by Jews in Romanian speaking lands from the sixteenth century until 1944 the end of World War II in Romania Mining published and unpublished sources including Holocaust period material in the Yad Vashem Archives and the Pages of Testimony collection Avram makes the case that through a careful analysis of the surnames used by Jews in the Old Kingdom of Romania we can better understand and corroborate different sociohistorical trends and even help resolve disputed historical and historiographical issues Using onomastic methodology to substantiate and complement historical research Avram examines the historical development of these surnames their geographic patterns and the ways in which they reflect Romanian Jews interactions with their surroundings The resulting surnames dictionary brings to light a lesser known chapter of Jewish onomastics It documents and preserves local naming patterns and specific surnames many of which disappeared in the Holocaust along with their bearers *Historical Implications of Jewish Surnames in the Old Kingdom of Romania* is the third volume in a series that includes *Pleasant Are Their Names Jewish Names in the*

Sephardi Diaspora and The Names of Yemenite Jewry A Social and Cultural History both of which are available from Penn State University Press This installment will be especially welcomed by scholars working in Holocaust studies **Choice**,2008 Studies in Etymology and Etiology David L. Gold,2009 Dictionaries usually give only brief treatment to etymologies and even etymological dictionaries often do not lavish on them the attention which many deserve To help fill the gap the author deals in depth with several etymologically problematic words in various Germanic Jewish Romance and Slavic languages all of which have hitherto either been misetymologized or not etymologized at all Sometimes he succeeds in cracking the nut Sometimes he is able only to clear away misunderstanding and set the stage for further treatment Usually he marshals not only linguistic but also historical and cultural information Since this book also discusses methodology it has the makings of an introduction to the science art and craft of etymology David L Gold is the founder of the Jewish Name and Family Name File the Jewish English Archives and the Association for the Study of Jewish Languages as well as the editor of Jewish Language Review and Jewish Linguistic Studies Yankee Yinglish Ruchel Jarach-Sztern,2017-11-13 For more than one century Yiddish has been in contact with American English To examine the linguistic traces of this contact we first retrace the background of Jewish immigration to the United States and present a history of Yiddish as a contact language We then proceed to the diachronic synchronic and sociolinguistic analysis of Yiddish features in American English as expressed by the New York Ashkenazi Jewish people Our primary sources are of four different types and cover a time span of sixty years shops signs books articles from The Forward in English extensive extracts from American Jewish websites and forums In these sources we examine the lexical morphological and syntactic features characterizing the presence of Yiddish in American English When we study the evolution which took place in the last sixty years regarding Yiddish and its presence in American English our conclusion when making the link between this data and the sociological determiners involved is that after a period of assimilation and fading we witness today the revival of Yiddish words features in American English especially morphological ones the ethnic religious commitment of a young generation of connected observant Jews brings about a modified American English compared to the previous generation back cover **A Legible People** Eugene M. Avrutin,2004 **A Dictionary of Jewish Surnames from Galicia** Alexander Beider,2004 Galicia formerly part of the Austro Hungarian Empire and Poland is now in the Ukraine The Shochet (Vol. 2) Pinkhes-Dov Goldenshteyn,2025-01-28 A fitting conclusion to a well researched and meticulously edited memoir translation Kirkus Reviews You have to read this book It s not like anything you read before Tablet Magazine Set in Ukraine Crimea and Israel this unique two volume autobiography offers a fascinating detailed picture of life in Tsarist Russia and Israel during the late 19th and early 20th centuries Goldenshteyn 1848 1930 a traditional Jew who was orphaned as a young boy and became a shochet kosher slaughterer as a young man is a master storyteller Folksy funny streetwise and self confident he is a keen observer of his surroundings His accounts are vivid and readable sometimes stunning in their intensity The memoir is brimming with

information Goldenshteyn's adventures shed light on communal life persecution family relationships religious practices and beliefs social classes local politics interactions between Jews and other religious communities epidemics poverty competition for resources migration war technology modernity and secularization In chronicling his own life Goldenshteyn inadvertently tells a bigger story the story of how a small oppressed people among other minority groups struggled for survival in the massive Russian Empire and in the Land of Israel Volume two begins in 1873 when Goldenshteyn obtains his first position as a shochet in Slobodze and it follows him to the Crimea where he endures 34 years of vicissitudes In 1913 he fulfills a dream of immigrating to the Land of Israel hoping to find tranquility in his old age Instead he is met with the turbulence of the First World War as battles rage between the retreating Ottoman Turks and the advancing British forces Informed by research in Ukrainian Israeli and American archives and personal interviews with the few surviving individuals who knew Goldenshteyn personally **The Shochet** is a magnificent new contribution to Jewish and Eastern European history **Languages in Jewish Communities, Past and Present** Benjamin Hary, Sarah Bunin Benor, 2018-11-05 This book offers sociological and structural descriptions of language varieties used in over 2 dozen Jewish communities around the world along with synthesizing and theoretical chapters Language descriptions focus on historical development contemporary use regional and social variation structural features and Hebrew Aramaic loanwords The book covers commonly researched language varieties like Yiddish Judeo Spanish and Judeo Arabic as well as less commonly researched ones like Judeo Tat Jewish Swedish and Hebraized Amharic in Israel today **A Dictionary of Jewish Surnames from the Kingdom of Poland** Alexander Beider, 1996 **Linguistics and Language Behavior Abstracts**, 2008

While this might not be the Yiddish Given Names A Lexicon full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Yiddish Given Names A Lexicon eBooks, including some popular titles.

FAQs About Yiddish Given Names A Lexicon Books

What is a Yiddish Given Names A Lexicon PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a Yiddish Given Names A Lexicon PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Yiddish Given Names A Lexicon PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Yiddish Given Names A Lexicon PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Yiddish Given Names A Lexicon PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
