You Are Not Alone You Are Not Alone:

You Are Not Alone! Stephen A. Royall,2014-04 There may come a time in life when we do not know what to do or if anyone cares or loves us *You Are Not Alone* demonstrates and shows the love heart and care that God has for each of us This book gives a testimony of the love of God and how He handles all our problems in this life This book will teach everyone that God is a loving and caring Creator and it will show us how our joy is in Him This book will give motivation and inspiration to all who read it it will also show the heart of God and how he has our best interests in His hands The goal of this book is to show everyone the love of God and how He protects us in times of trouble *You are Not Alone* Esther Gross,2002 This unique and vital book focuses on a topic many people struggle with but most don't speak about anxiety disorder The author who suffered from anxiety disorder herself shares her own insight as well as professional advice and most importantly the Torah's perspective on coping with anxiety and other stress disorders Beautifully written captivating and reassuring this book's positive upbeat attitude will work wonders for you or for someone else you know who suffers from this common challenge For the first time you are not alone **We Are Not Alone** Karen S. Dolan,2010-03 Have you ever heard a voice telling you something and you know that it did not come from you Some people call it premonition intuition or is it something else Are we surrounded by unseen forces Forces that communicate with us constantly but we are too busy to hear them *We Are Not Alone A Journey of Self Discovery* are the real life stories of people who have experienced these unseen forces in their lives The story begins with Kaydee a traveler through time who encounters many situations supernaturally prepared for her from outside of the time dimension Other travelers through time and their encounters are woven into the fabric of the artwork that is dynamically being painted by the Creator Himself Scientists are discovering that we live in a multi dimensional world We only perceive 4 dimensions width length depth or height and time Like a straight line trying to understand the dimensionality of a square we can't always understand the dimensions outside of the four we live in or can we Is it possible to perceive what it is like outside of time Could these be the spiritual dimensions that the Bible talks about Could this be what God is talking about when He says Those who have ears will hear and those who have eyes will see
