Your Plan For a Balanced Life James M. Rippe, 2008-01-01

Real world day by day strategies for achieving the balanced life most of us only dream of. Most people work too much, eat the wrong foods, sleep too little, and don't exercise. They are overweight, tired, and out of balance. Cardiologist and lifestyle medicine specialist Dr. James Rippe understands the challenges of daily life and provides practical strategies that allow you to start making simple daily choices that will result in a life of healthy balance. The groundbreaking program introduced in this book is based on the FDA's MyPyramid Program and a new Wellness Pyramid developed by the Rippe Lifestyle Institute. The Balanced Life Index is a scientifically proven test used to measure your success based on the three major components: Nutrition, Activity, and Wellness. It assesses where you are and then shows where you can be and how you can get there.

Game Play Jessica Stone, Charles E. Schaefer, 2019-10-24

The essential guide to game play therapy for mental health practitioners. The revised and updated third edition of *Game Play Therapy* offers psychologists and psychiatrists a guide to game play therapy's theoretical foundations and contains the practical applications that are appropriate for children and adolescents. Game playing has proven to invoke more goal-directed behavior, has the benefit of interpersonal interaction, and can perform a significant role in the adaptation to one's environment. With contributions from noted experts in the field, the third edition contains information on the time-tested classic games and the most recent innovations and advances in game play approaches. *Game Play Therapy*'s revised third edition, like the previous editions, continues to fill a gap in the literature by offering mental health practitioners the information needed to understand why and how to use this intervention effectively. The contributors offer advice for choosing the most useful games from the more than 700 now available and describe the fundamentals of administering the games. This important updated book contains material on the recent advances in the field, including information on electronic games and disorder-specific games. Includes illustrative case studies that explore the process of game therapy. Reviews the basics of the underlying principles and applications of game therapy. Offers a wide range of games with empirical evidence of the effectiveness of game therapy. Written for psychologists, psychiatrists, and other mental health clinicians, the revised third edition of *Game Play Therapy* offers a guide that shows how to apply game therapy techniques to promote socialization, encourage the development of identity and self-esteem, and help individuals master anxiety.
