The World Cookbook for Students Jeanne Jacob, Michael Ashkenazi, 2006 The student body in the United States is ever more diverse and librarians have a major new resource to help them with the frequent requests from students who have assignments that include finding ethnic recipes This 5 volume cookbook set is directly related to the middle school and high school multicultural curricula It will be the source to turn to for multicultural immigration and foreign language units The World Cookbook for Students fills a demand for more and different recipes for all not just selected countries and also from ethnic groups Many librarians cling to an old Time Life set and this set aims to replace that Although there are many cookbooks out there and many recipes are available on the Internet only a few are geared to students and no in print sets or series match this scope and depth The volumes are organized alphabetically by country or group name Each entry includes a brief introduction to the land and people and their cuisine and then an overview of the foodstuffs typical dishes and styles of eating in simple bulleted lists Approximately 5 recipes are provided per country ethnic group of typical dishes and holiday fare for a total of 1 198 Each recipe is introduced and contextualized Other elements include boxed material to highlight such things as a regional staple thumbnail maps and illustrations an introduction to the set a bibliography with print and online resources and a set index in each volume

The World Cookbook Jeanne Jacob, Michael Ashkenazi, 2014-01-15 This is the only world cookbook in print that explores the foods of every nation state across the globe providing information on special ingredients cooking methods and commonalities that link certain dishes across different geographical areas Increasing globalization modern communication and economic development have impacted every aspect of daily life including the manner by which food is produced and distributed While these trends have increased the likelihood and expansion of food influences variations of the same popular dishes have been found in regions all over the world long before now This book is an ecological historical and cultural examination of why certain foods are eaten and how these foods are prepared by different social groups within the same and different geographical region The authors cover more than 200 countries and cultural groups featuring each nation s food culture and traditions and providing overviews on foodstuffs typical dishes and styles of eating This revised edition features in excess of 400 new recipes several new countries and additional sidebars with fun facts explaining unique foods and unfamiliar ingredients More than 1 600 recipes for popular appetizers main courses desserts snack foods and celebration dishes are provided allowing readers to construct full menus from every country of the world

Holidays of the World Cookbook for Students Lois Sinaiko Webb, Lindsay Grace Cardella, 2011-04-12 This updated and revised cookbook helps students explore the holiday customs and unique foods of more than 150 countries The best way to learn about other ethnic groups is to experience that culture directly Unfortunately to travel to foreign places isn t often possible Giving students the opportunity to learn about and enjoy ethnic customs and holidays through food is a great

solution This new edition of Holidays of the World Cookbook for Students provides detailed information about the holidays of nations around the world and presents a multitude of selected recipes that are ideal for each celebration The recipes appear with each country entry and the countries are arranged in alphabetical order within each region Africa Asia and the South Pacific the Caribbean Europe Latin America the Middle East and North America With recipes especially adapted for preparation by student chefs this cookbook is especially appropriate for students in grades 9 12 who are either researching holiday customs and foods or planning to prepare ethnic meals or dishes *Food Cultures of the World Encyclopedia* Ken Albala, 2011-05-25 This comprehensive reference work introduces food culture from more than 150 countries and cultures around the world including some from remote and unexpected peoples and places From babka to baklava to the groundnut stew of Ghana food culture can tell us where we've been and maybe even where we're going Filled with succinct yet highly informative entries the four volume Food Cultures of the World Encyclopedia covers all of the planet's nation states as well as various tribes and marginalized peoples Thus in addition to coverage on countries as disparate as France Ethiopia and Tibet there are also entries on Roma Gypsies the Maori of New Zealand and the Saami of northern Europe There is even a section on food in outer space detailing how and what astronauts eat and how they prepare for space travel as far as diet and nutrition are concerned Each entry offers information about foodstuffs meals cooking methods recipes eating out holidays and celebrations and health and diet Vignettes help readers better understand other cultures while the inclusion of selected recipes lets them recreate dishes from other lands The Third Savor the South Cookbooks, 5 Volume Omnibus E-book, 2021-03-01 Each little cookbook in our SAVOR THE SOUTH collection is a big celebration of a beloved food or tradition of the American South From buttermilk to bourbon pecans to peaches one by one SAVOR THE SOUTH cookbooks will stock a kitchen shelf with the flavors and culinary wisdom of this popular American regional cuisine Written by well known cooks and food lovers the books brim with personality the informative and often surprising culinary and natural history of southern foodways and a treasure of some fifty recipes each from delicious southern classics to sparkling international renditions that open up worlds of taste for cooks everywhere You'll want to collect them all This Omnibus E Book brings together for the first time the final 5 books published in the series You'll find Fruit by Nancie McDermott Corn by Tema Flanagan Ham by Damon Lee Fowler Pie by Sara Foster Rice by Michael W Twitty Included are almost 250 recipes for these uniquely Southern ingredients **History of Multicultural Education Volume 5** Carl A. Grant, Thandeka K. Chapman, 2013-10-23 This benchmark 6 volume set documents analyzes and critiques a comprehensive body of research on the history of multicultural education in the U S The volumes reflect the tenets of multicultural education its history its present and individuals whose work has contributed significantly to equity and social justice for all citizens By collecting and providing a framework for key publications spanning the last 30 40 years this set provides a means of understanding and visualizing the development implementation and interpretation of multicultural education in American society The volumes do not promote any one

scholar s or group s vision of multicultural education but include conflicting ideals that inform multiple interpretations Each volume contains archival documents organized around a specific theme Conceptual Frameworks and Curricular Content Foundations and Stratifications Instruction and Assessment Policy and Governance Students and Student Achievement Teachers and Teacher Education The historical time line within each volume illustrates the progression of research and theory on its theme and encourages readers to reflect on the changes in language and thinking concerning educational scholarship in that area
