The Write Stuff Sondra B. Willobee, 2009-01-16 In this book gifted preacher Sondra Willobee shows how to enliven sermons by using the techniques of great writers With clarity and wit Willobee explores the joyful process of crafting effective sermons

Writing for the Ear, Preaching from the Heart Donna Giver-Johnston, 2021 In Writing for the Ear Preaching from the Heart Donna Giver Johnston teaches preachers how to communicate effectively how to get away from their notes and make a more personal connection with their listeners Grounded in a theology of the incarnation she offers a step by step method for writing sermons with the fewest most impactful and memorable words and delivered by heart to communicate a message that captures the ears and hearts of listeners

Scripting a Sermon Shauna Hannan, Gael Chandler, 2024-11-12 Scripting a Sermon approaches common challenges for crafting sermons looking toward the essential components of filmmaking to help preachers create more potent sermons In this third volume in the Preaching and series Shauna K Hannan and Gael Chandler combine their expertise to focus on the convergences between the crafts of homiletics and filmmaking Looking to enliven the preached word this book draws attention to the ways in which the sermon is set up to captivate the audience For example sermon openings which are frequently disconnected from the sermon s overall point or needlessly long are explored through the techniques of filmmakers who use opening shots to introduce the narrative Readers will be enlightened to how filmmakers use these openings to set the tone of the film involve the audience in the characters story and establish expectations for what the audience will encounter throughout the film Hannan and Chandler give detailed and practical advice on specific aspects of this and other processes that preachers could use to craft far more effective sermons Other chapters cover building scenes and characters being a good editor of your work and crafting effective sermon endings Equipped with the wisdom of the best filmmakers skilled preachers will gain greater insight into powerful methods for captivating hearers and impacting our world

Effective Preaching Rev. Michael E. Connors, CSC, 2021-01-25 Effective Preaching Bringing People into an Encounter with God is a practical collection of essays featuring leading preachers homilists and homily instructors Compiled by Michael E Connors CSC the Director of the John Marten Program in Homiletics and Liturgics at the University of Notre Dame this imaginative book focuses entirely on the practical side of Catholic preaching It will provide imaginative hands on tested advice to help homilists develop preaching effectiveness using techniques that will turn satisfactory preaching into exceptional preaching This practical resource will be essential for priests

permanent deacons seminarians in homiletics classes retreat leaders RCIA catechists all who preach *Novel Preaching* Alyce M. McKenzie, 2010-02-01 In this lively and accessible book Alyce McKenzie explores how fiction writers approach the task of writing novels how they develop their ideas where they find their inspiration and how they turn the spark of a creative notion into words on paper that will captivate the masses McKenzie's study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful well-crafted sermons *Novel Preaching* offers a wealth of advice from successful fiction writers including Isabelle Allende Frederick Buechner Julia Cameron Annie Dillard Natalie Goldberg Stephen King Toni Morrison Joyce Carol Oates and Melanie Rae Thorn and also includes a number of sample sermons from McKenzie herself *Sermons That Sing* Noel A. Snyder, 2021-08-17 Preaching and music are both regular elements of Christian worship yet they often don't interact or inform each other in meaningful ways Theologian pastor and musician Noel A. Snyder considers how preaching that seeks to engage hearts and minds might be helpfully informed by musical theory so that preachers might craft sermons that sing *Making a Scene in the Pulpit* Alyce M. McKenzie, 2018-10-23 How can preachers ensure that their sermons continue to engage listeners in a world defined by visual media and the short segmented delivery of information Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery McKenzie's core strategy is to invite listeners into scenes whether from Scripture or contemporary life and once they are there to point them toward the larger story of God's relationship with humankind Creating such scenes unifies the whole process of preaching she says from the preacher's daily life observations to interpretation of scenes from Scripture to sermon shaping sequencing and delivery The process culminates in a specific understanding of the purpose of the sermon to send listeners out into the scenes they'll play in their lives for the next week equipped to act out their parts in ways that are kinder more just and more courageous than last week *Humor Us!* Alyce M. McKenzie, Owen Hanley Lynch, 2023-06-06 Homiletics textbooks often discourage the use of humor in preaching regarding it as trivializing or distracting The result is that many preachers have failed to understand humor's positive power demoting it to the opening joke to get a guaranteed guffaw to warm up the crowd *Humor Us* the second volume in the *Preaching and* series is a collaborative effort by homiletician Alyce M. McKenzie and humor scholar Owen Hanley Lynch that promotes humor a force capable of great good to its rightful place in the pulpit Establishing humor as a divine gift *Humor Us* opens to preachers the world of humor studies with its positive portrayal of humor's usefulness to speak truth to power unite people in their common humanity and strengthen them to cope and survive in tough times *Humor Us* helps preachers understand how humor works and shows them in very practical and specific ways how preachers can put it to work in their sermons It combines the wealth of knowledge of two highly regarded scholars practitioners to show how humor can become a potent tool for sharing the good news in sermons McKenzie and Lynch prove that humor when applied thoughtfully can foster compassion and a sense of common humanity help challenge an unjust

status quo and invite listeners into a shared experience of the presence of God **A Preacher's Tale** Jon Russell, 2018-02-23

Many clergy receive little training in the arts of preaching and it is assumed that they will learn by gaining experience. The renowned American preacher Herbert O. Driscoll suggests that congregations do not want to be given a map showing them how to get to the coast; they want to be drenched in the spray. Narrative preaching is a means of achieving such immediacy. By dramatic story telling it invites listeners to enter the text imaginatively and enables them to experience sermons as transformative events. This book aims to provide not just a theoretical introduction but a resource that uses sermons in the narrative style to reflect on how to prepare and construct them and how to deliver them effectively in the context of worship.
